

CFV 2030

The implementation status

Status of recognition in documents
Taking into account the neighbourhood

ESPON Workshop June 25th 2019

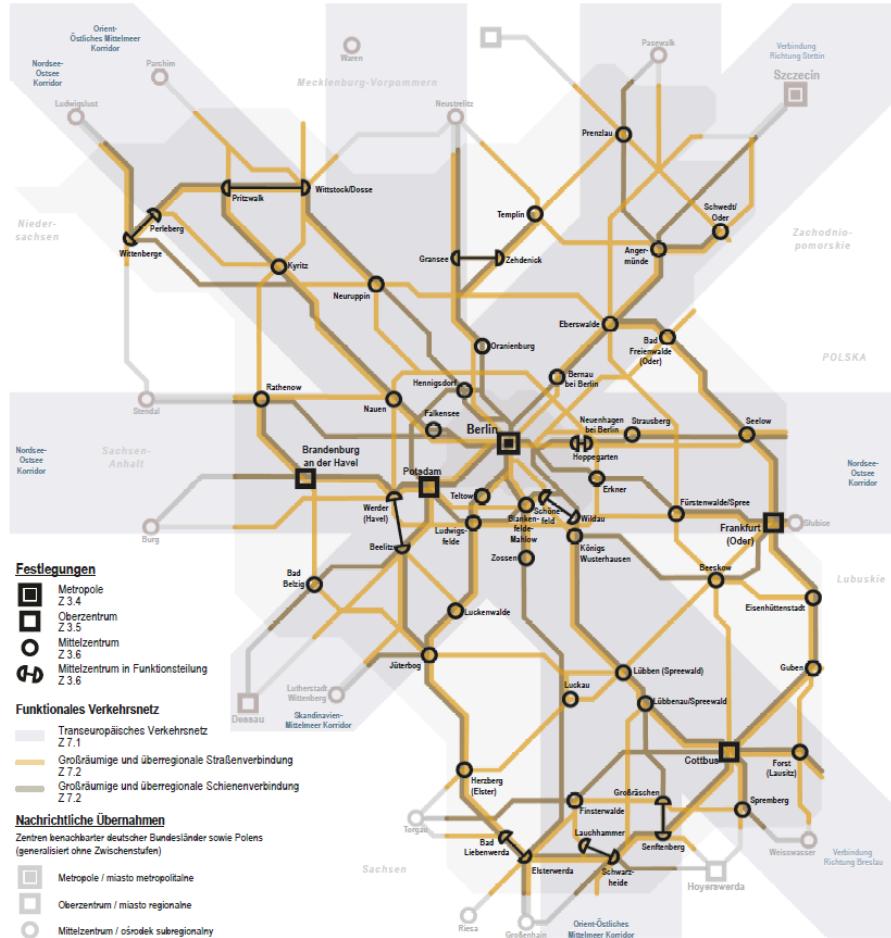

Networking and Cooperation in the Capital Region BE-BB

State Development Plan Capital Region -
LEP HR (01.07.2019)

Connect functions

Network the Capital Region in Europe

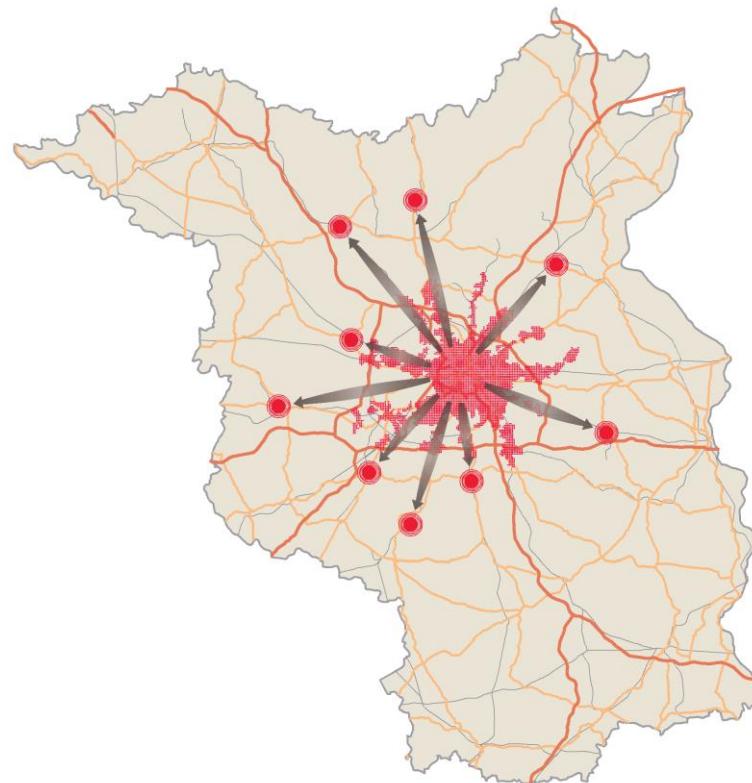

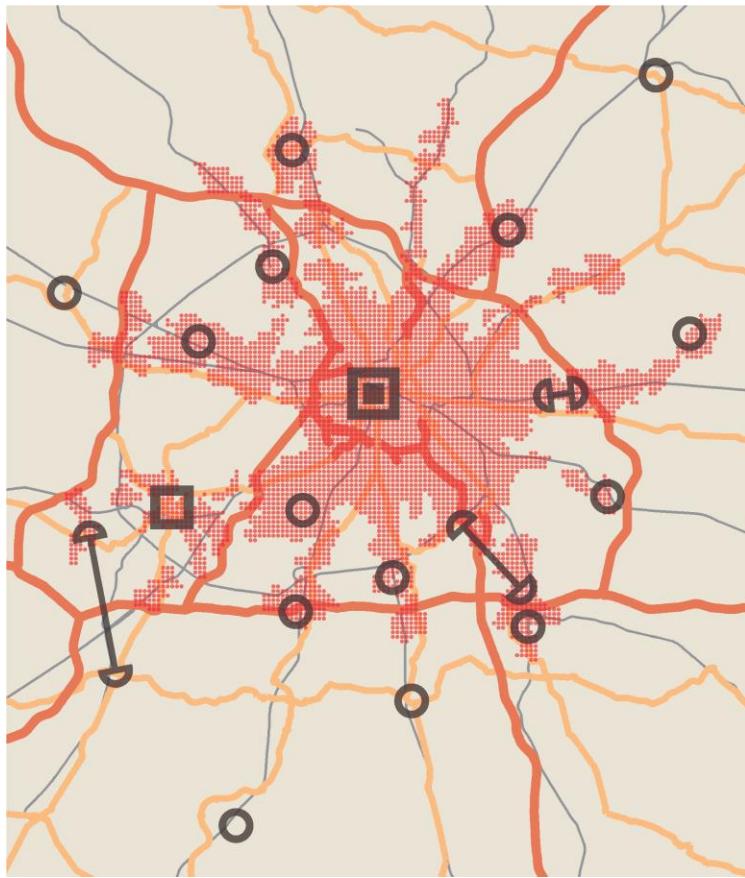

The functional transport network of the LEP HR connects the region with the metropolis and beyond

- Trans-European Networks
 - Supra-regional railway and Road connections

Saving the star shape of the metropolis

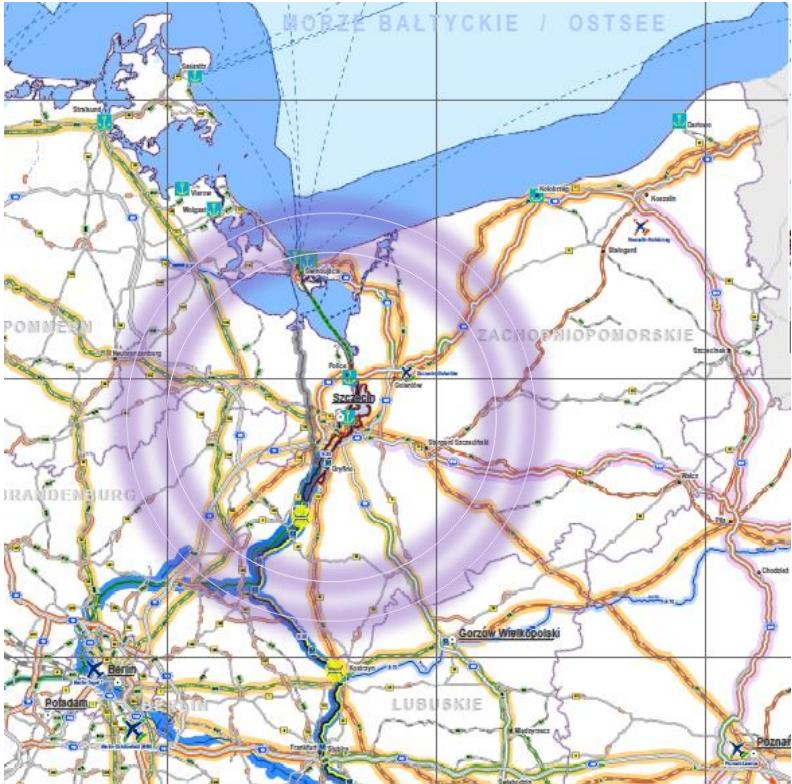

Promote cities in the 2nd row around the metropolis

Example Metropolitan Region Szczecin

Interreg A project Model of cross-border monitoring - innovative measures of data collection

Thematic areas:

- tourism, regional transport and mobility,
- Demography, economy, employment, living and housing quality,
- Recreational facilities, land prices, taxes, social etc.

Partners:

- Regional Planning Office West Pomerania
- Joint spatial Development Department
- Marshal Office West Pomerania
- Association of Szczecin Metropolitan Area
- Euroregion Pomerania
- Municipality Gartz (Oder)

Flagship Competition for the implementation of the concept I

A photograph showing a railway track curving through a dense, autumn-colored forest. A vertical yellow and black striped sign is visible on the left side of the tracks. The top of the slide features a blue bar with the text 'PROJEKT FLAGOWY' on the left and 'FLAGGSCHIFFPROJEKT' on the right. Below the photograph, two descriptive texts are provided in Polish and German.

Rewitalizacja komunikacji kolejowej
między Lipskiem i Poznaniem

Wiederbelebung der Eisenbahn-
fernverbindung zwischen Leipzig
und Poznań

Revival of the
railway connection
between Leipzig
and Poznan
