

Mid-term Evaluation of the ESPON 2020 Cooperation Programme

ESPON Seminar Sofia 2018-05-31

General purpose of the mid-term evaluation

- Review the performance of ESPON 2020 to date;
- Provide recommendations for current and future programme period;
- Focus on the impact of the changes introduced to ESPON 2020 to address issues identified in ESPON 2013.

The evaluation objectives

- Indicate the **relevance, effectiveness, efficiency and consistency** of the ESPON 2020 Programme - including the programme architecture.
- Identify **strengths and potential weaknesses** in the ESPON 2020 Programme;
- Identify the **achievements** of the ESPON 2020 Programme realized up to now;
- Suggest **possible improvements** to strengthen the implementation of the current ESPON 2020 Programme;
- Suggest possible elements that could be considered by the Monitoring Committee for **developing ESPON post-2020**;

Study Duration and Next Steps:

- Study duration from April 2018 to February 2019 (Interim report and interim meeting with the MC in Berlin in September; draft final report meeting with the Monitoring Committee in Austria early 2019)
- June to August 2018: **target group and stakeholder online surveys**

Thank you and looking forward to
your survey responses !
