

Annex A - List of maps and tables

List of figures

- Figure 3.1 The Panarchy model of System Change (adapted from Pendall et al, 2010).
- Figure 4.1 Proportion of trade undertaken with other EU economies and external to the EU
- Figure 4.2 Number of national economies in decline across the ESPON space 1990-2011
- Figure 4.3 Annual incidence of employment and GDP decline at a regional level
- Figure 4.4 Percentage loss in employment from pre-crisis peak (1990s, by region)
- Figure 4.5 Period taken to recover to pre-crisis peak employment (years, by region)
- Figure 4.6 Employment losses in selected economies (Millennial downturn)
- Figure 5.1 GDP change in EU economies
- Figure 5.2 Employment decline by region (% peak year to 2011)
- Figure 5.3 Impact of the crisis within ESPON states
- Figure 5.4 Intra-country differences in employment experience
- Figure 5.5 Employment losses by sector (NACE2, 2008-11)
- Figure 5.6 Variations in sectoral employment change across countries (Max-Min by country, %)
- Figure 5.7 Unemployment rates in EU (2000-2013)
- Figure 5.8 Regional unemployment rates by country (2007)
- Figure 5.9 Regional unemployment rates by country (2011)
- Figure 5.10 Change in range between highest and lowest unemployment (2007-11, by country)
- Figure 5.11 Changes in EU trade volume, 2000-2011
- Figure 5.12 Ratio of gross household debt to income (EU28)
- Figure 5.13a Declining household debt:income ratios

- Figure 5.13b Rapid increase-decline in household debt:income ratios
- Figure 5.13c Gradual increase-decline in household debt:income ratios
- Figure 5.13d Marked increase-decline in household debt:income ratios
- Figure 5.13e Increasing household debt:income ratios
- Figure 5.14 Trends in Government debt (% GDP)
- Figure 5.15 Change in proportion of population living in low work intensity households (2008-12, %)
- Figure 5.16 Change in the total number of hours worked (2005-2011, %)
- Figure 5.17 Change in total level of employment compensation (2008-11, %)
- Figure 5.18 Change in total household disposable income (2008-12, %)
- Figure 5.19 Population at risk of poverty (2011)
- Figure 5.20 Changes in proportion of population at risk of poverty (NUTS2)
- Figure 5.21 Comparative net migration rates (2001-07, 2008-11)
- Figure 5.22 House price index 2007-12
- Figure 5.23 Public perceptions of their national economy
- Figure 5.24 Proportion of residents who believe worst of crisis is still to come (%)
- Figure 5.25 Change in proportion of residents who believe worst of the crisis is still to come
- Figure 5.26 Proportion of respondents Very Confident in their ability to keep their job (%)
- Figure 5.27 Proportion of respondents Not At All or Not Very Confident in their ability to keep their job (%)
- Figure 5.28 Extent to which the crisis is having an impact on your personal situation (% respondents)
- Figure 5.29 Employment effects, as a direct response to the crisis
- Figure 5.30 Perceived change in level of poverty in past 12 months in area where respondents live (% all respondents)
- Figure 5.31 Perceived proportion of population in area living in poverty in 2009 (% respondents)

Figure 5.32 Perceived proportion of population in area living in poverty in 2011 (% respondents)

Figure 5.33 Change in proportion of residents believing that about 30% or more of residents live in poverty (2009-2011)

Annex C - ECR2 Glossary of acronyms

CAS - Complex adaptive system

CEO - Chief executive officer

DEI – Greece's public energy corporation

ECB- European Central Bank

EEG – Evolutionary economic geography

EFSF – European Financial Stability Facility

GDP – Gross Domestic Product

HEI – Higher education institution

HRST - Human Resources devoted to Science and Technology

IMF - International Monetary Fund

KET - Key Enabling Technology

NACE A - primary industries

NACE B-E - manufacturing industries

NACE F - construction sector

NACE J - ICT

NACE L - real estate sector

NACE M-N - Professional, scientific and technical services

NACE R-U - Arts, entertainment, recreation and other services

NACE O- Q - public sector employment sectors

NICE – Non inflationary continuous expansion

NUTS - Nomenclature of territorial units for statistics

OECD – Organisation for Economic Cooperation and Development

RMBS - residential mortgage-backed securities
