## Ask questions

You can ask a question by under the "Questions" tab. You can post anonymously or indicate your name.

## Vote on the questions you would like to discuss

You will see questions asked by other members of the audience and you can vote on which question(s) you would most like to see discussed by giving them a thumbs up.

## Live polling

We will launch a series of polls and you will be able to vote instantly from your device under the "Polls" tab. When the poll is live, simply select your response and press the send button.
