Collaboration and regional reform

National legislation for reform, 2017

- Goal for stronger regions and more efficient public services
- New reality for Oslo's collaboration agreements
- Searching for new solutions

Realigning Oslo's surrounding region

ESPON is helping us to find solutions

ESPON  
Co-financed by the European Regional Development Fund

Inspire policy making by territorial evidence

SPIMA - Spatial dynamics and strategic planning in metropolitan areas

Targeted Analysis

Thanks!
Takk for oppmerksomhet
