

Inspire Policy Making with Territorial Evidence

# Territorial dimension of future policies: ESPON insights and policy advice

Ilona Raugze, Director, ESPON EGTC

// ESPON Seminar // Territorial Cohesion Post 2020: Integrated Territorial Development for Better Policies

30 May 2018 // Sofia, Bulgaria // [www.espon.eu/sofia](http://www.espon.eu/sofia)

**Functional urban areas,  
cross-border areas,  
transnational areas etc**

**Policies and  
interventions for  
functional areas**

**Policy frameworks  
that incentivise  
cooperation**

**Incentives** to  
support networking,  
cooperation and  
linkages among  
cities and regions

**Developing new  
governance  
solutions**

Engaging public  
authorities and  
private stakeholders  
in **joint efforts**  
to address shared  
development challenges

Joint initiatives and  
**combining resources**  
from different  
funding streams

Engaging national, regional  
and local actors in  
**cooperative  
activities**
