Inspire policy making by territorial evidence

## Aim of the session

.. identify key issues related to the refugee crisis from a policy-making perspective concerning immediate humanitarian urgency to medium and long term integration, the role of various actors involved and instruments available.

## Questions to be addressed

- What could cities and the EU do to foster integration from day 1?
- How can EU policy and soft law mechanisms better support cities' efforts to integrate refugees and asylum seekers into the labour market?
- How can access to (European) funding for cities be simplified to meet the dynamics of the refugee crisis?
