

# Evidence for policy- makers

## ESPON 2030

Peter Austin

City of Oslo / vice chair Metropolitan Areas  
Working Group

# Good use of ESPON2030 results

- Reality is complex – cross cutting approach
- Stakeholders are the key players
- ESPON project management model
- Research methodology through involvement
- Spatially relevant for the task (small area data)

# Raising the spatial stakes

- Green Deal is Spatial
- Land use protection \*\*\*
- Land use dynamics \*\* ?
