Inspire policy making by territorial evidence

Aim of the session

.. identify key issues related to urban-rural relationships from a policy-making perspective concerning in particular to co-operation and formal partnerships.

Questions to be addressed

- What possible governance tools could strengthen the urban-rural linkages in order to overcome administrative fragmentation and rigidity?
- How can the ITI instrument be used to promote and formalise urban-rural relationships at the metropolitan level?
- How can Central Eastern European cities and regions learn from existing urban-rural linkages?
