

I. COMPETITIVENESS INDICATORS

1.1. Wealth and growth

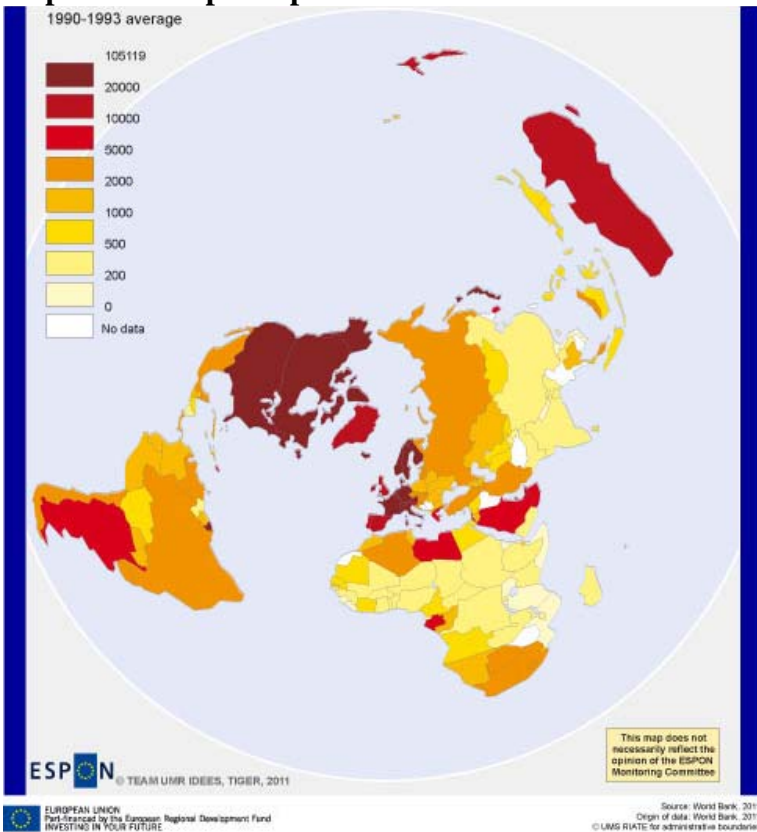

Map 01: GDP in 1990 - 1993

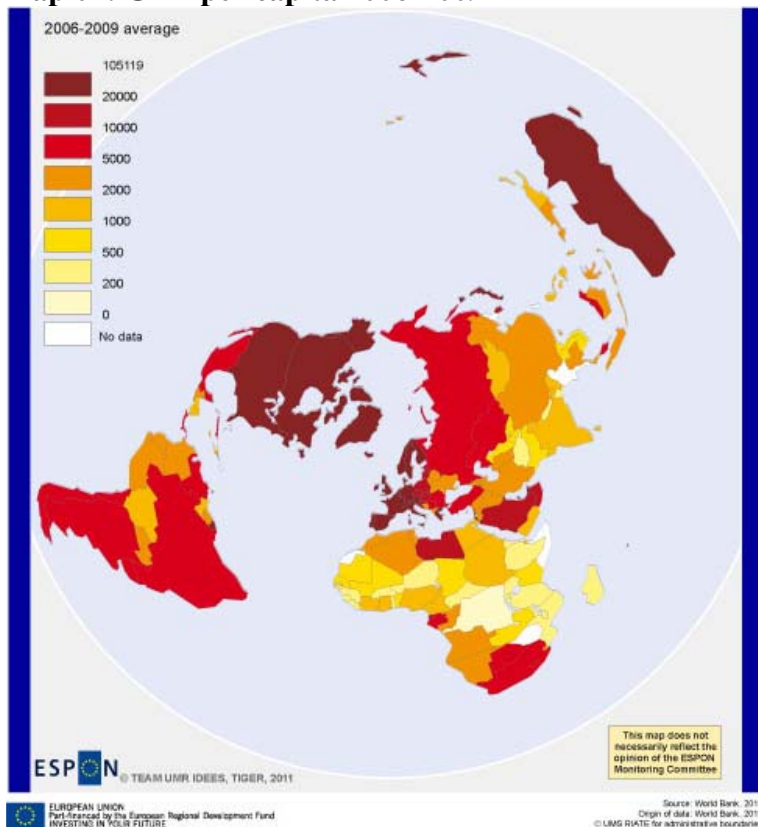

Map 02 : GDP in 2006-2009

Map 03 : GDP per capita 1990-1993

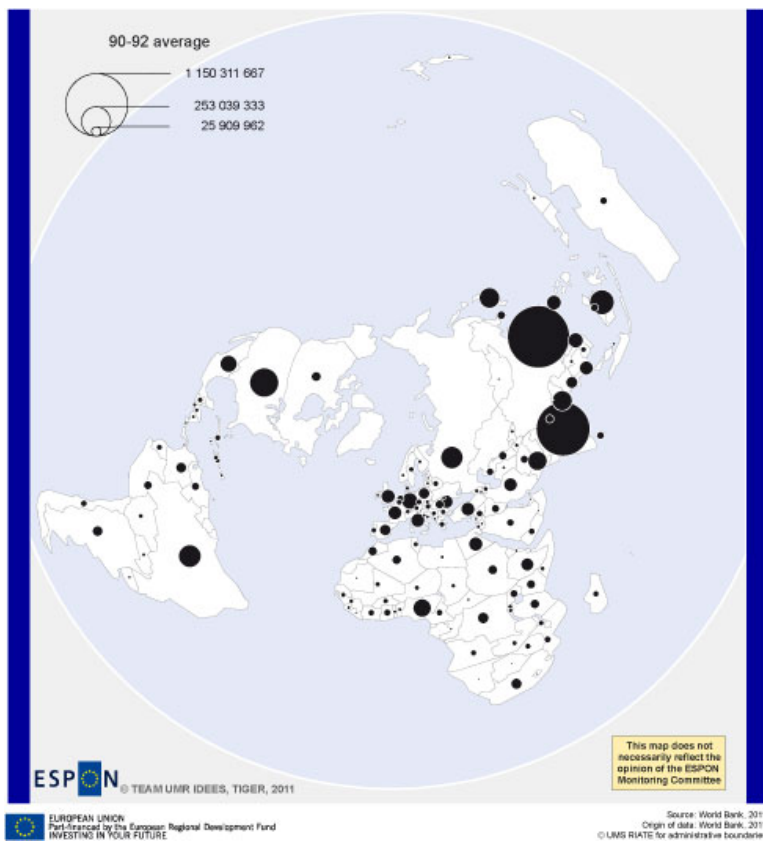

Map 04: GDP per capita 2006-2009

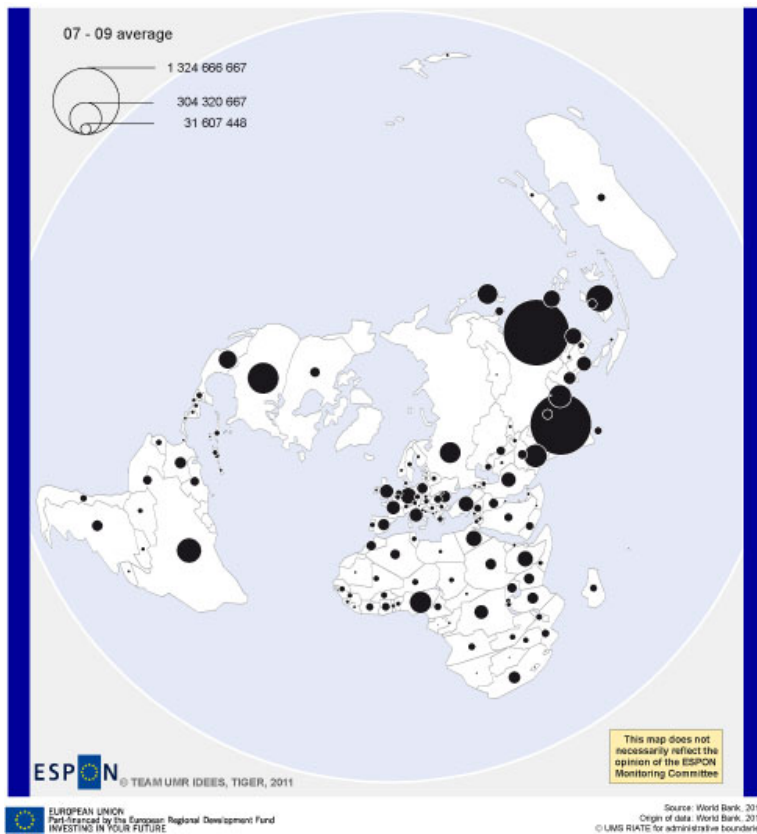

1.2. Population and demographic situation

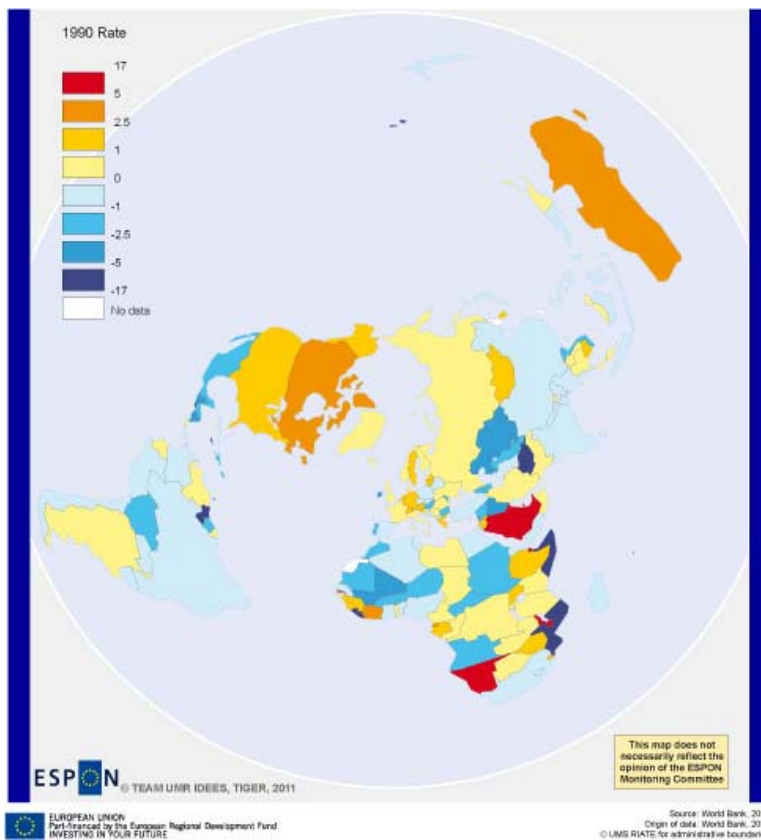

Map 05 : population in 1990-1992

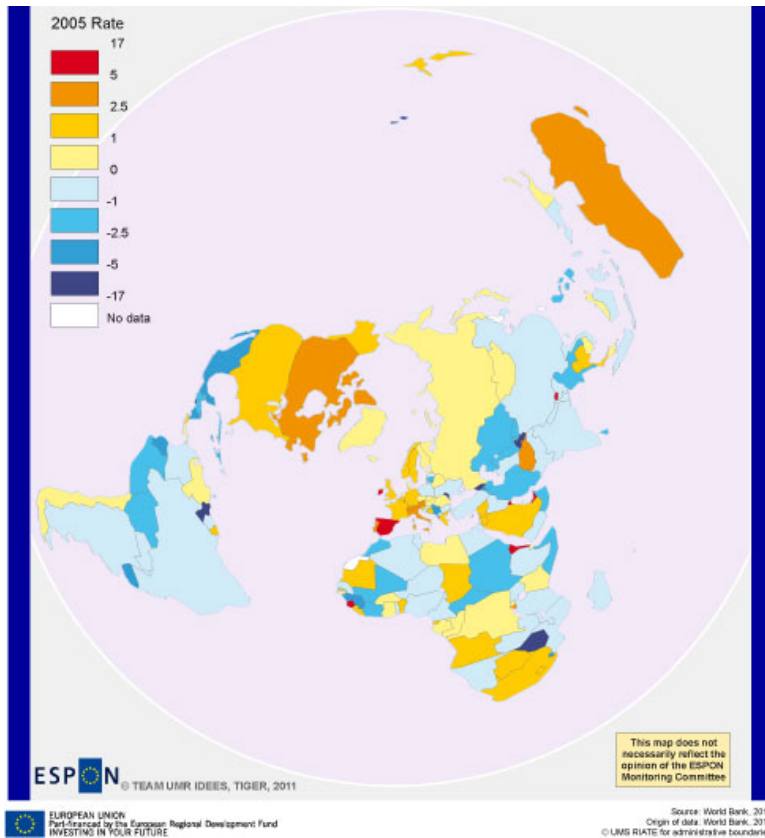

Map 06: population in 2007-2009

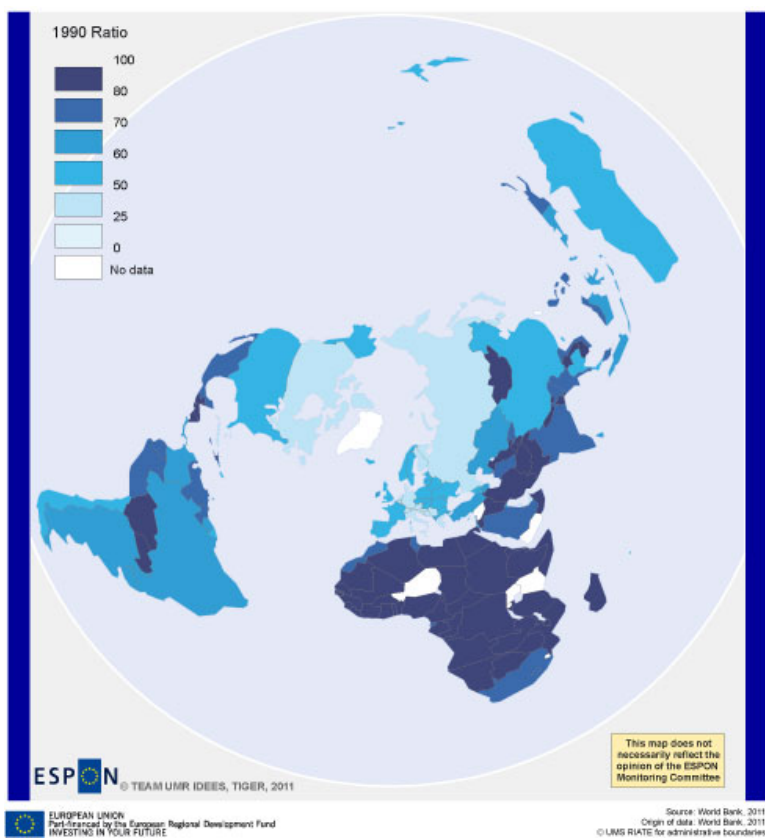

Map 07 : migration rate in 1990

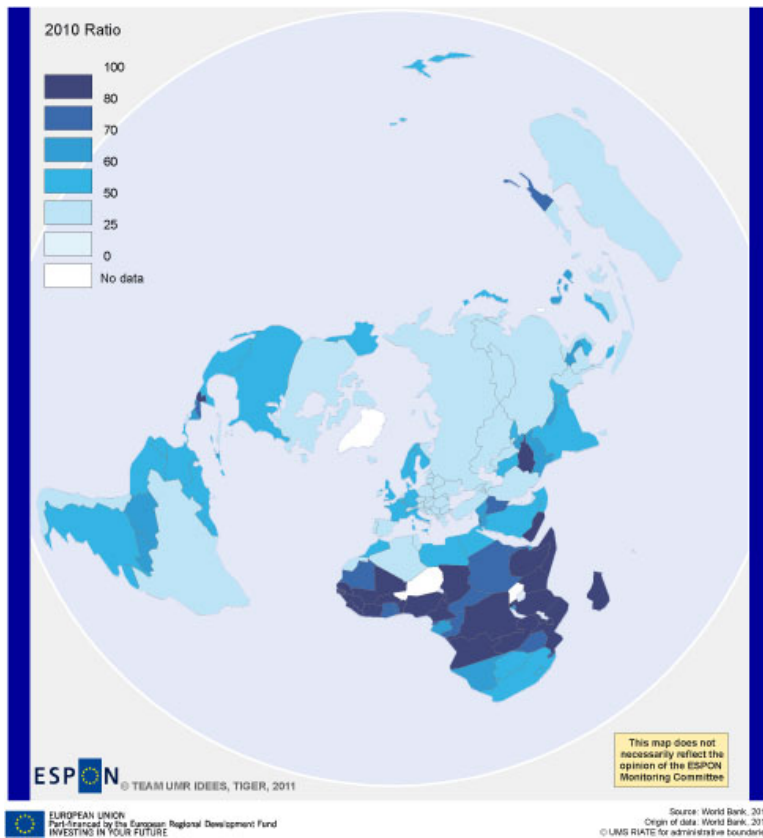

Map 08: migration rate in 2005

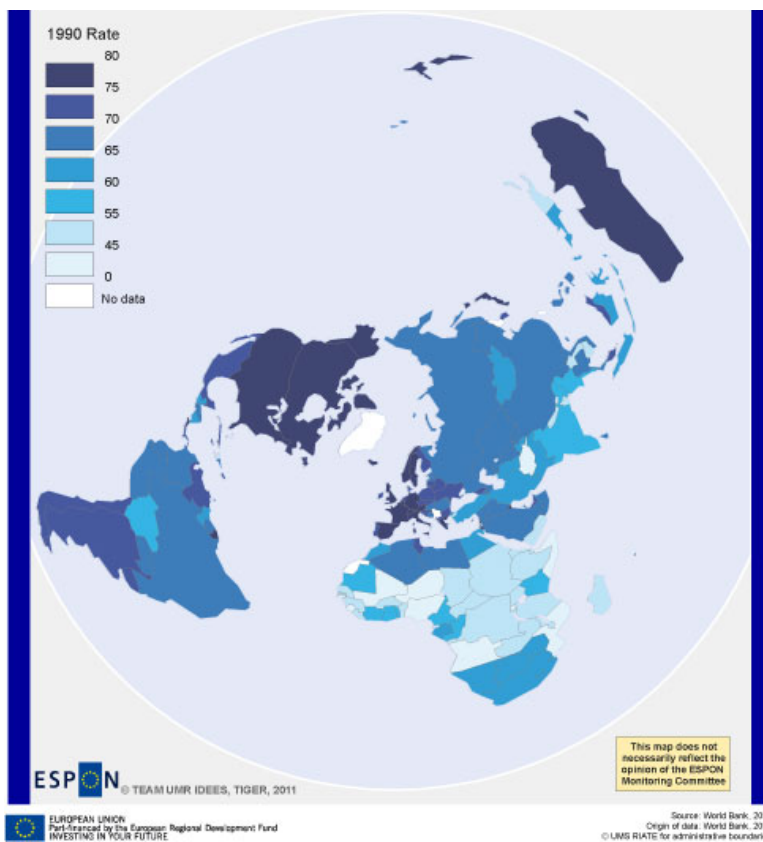

Map 09: dependency ration in 1990

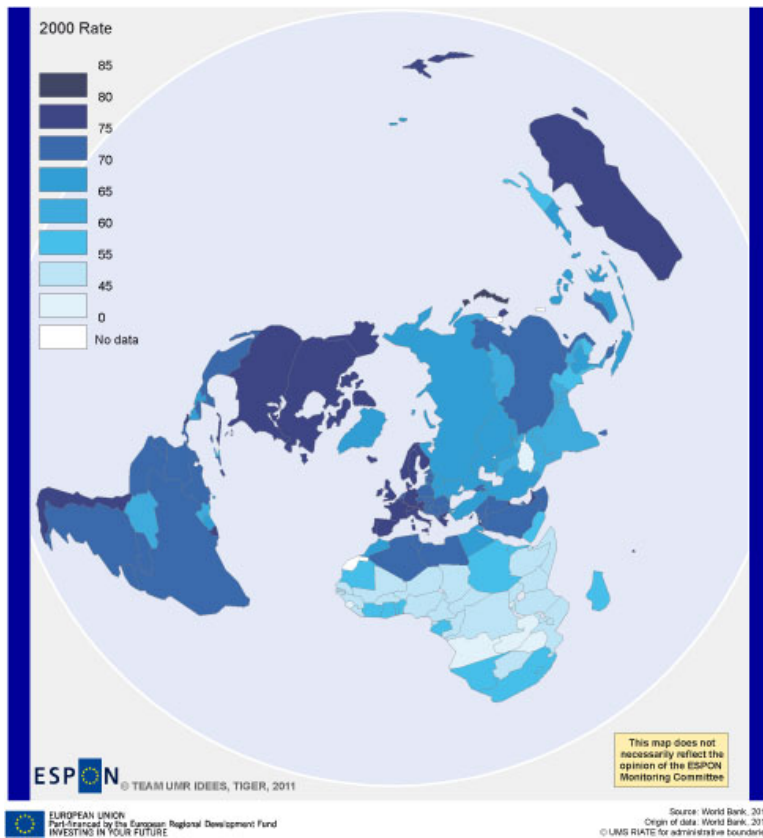

Map 10: dependency ratio in 2010

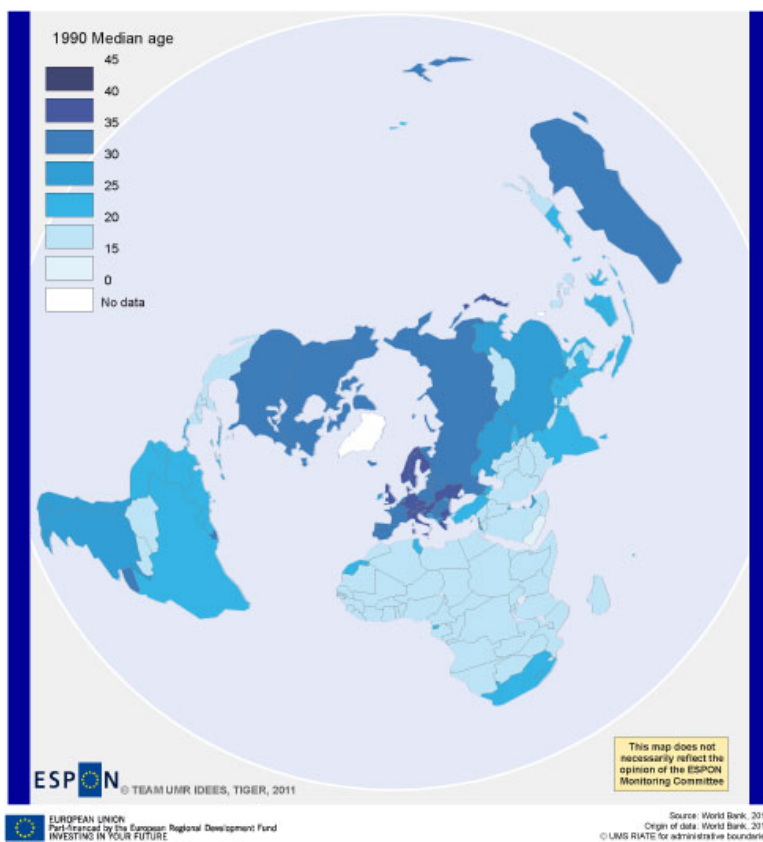

Map 11: life expectancy in 1990

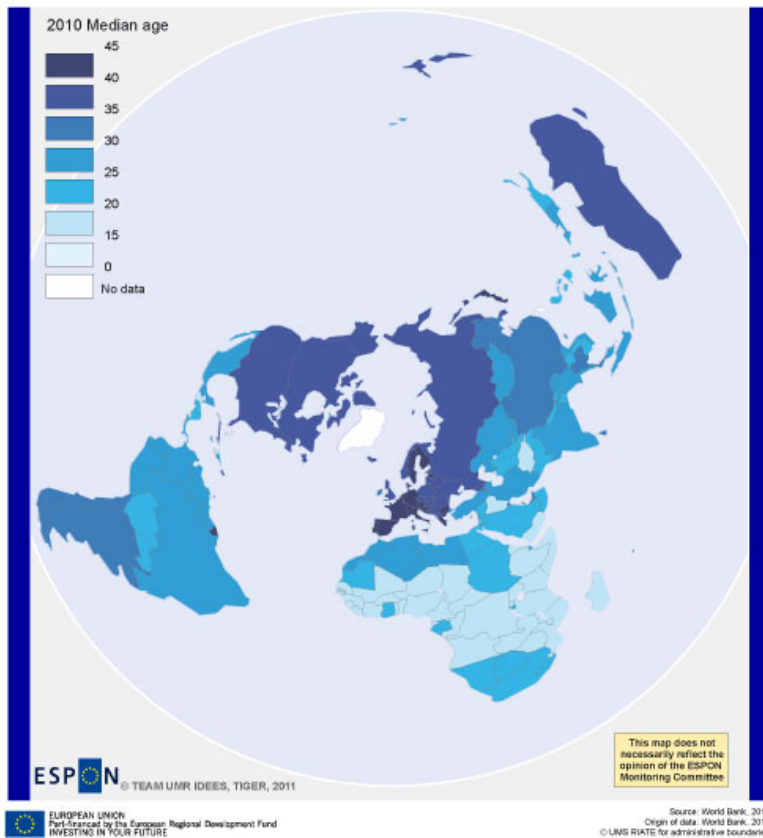

Map 11: life expectancy in 2000

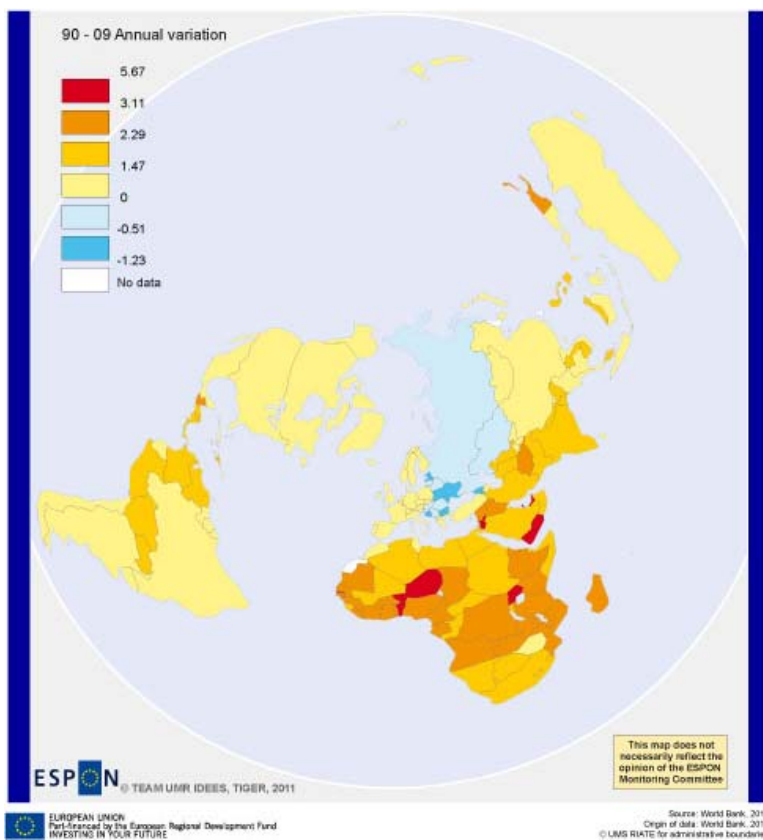

Map 12: Median age in 1990

Map 13: Median age in 2010

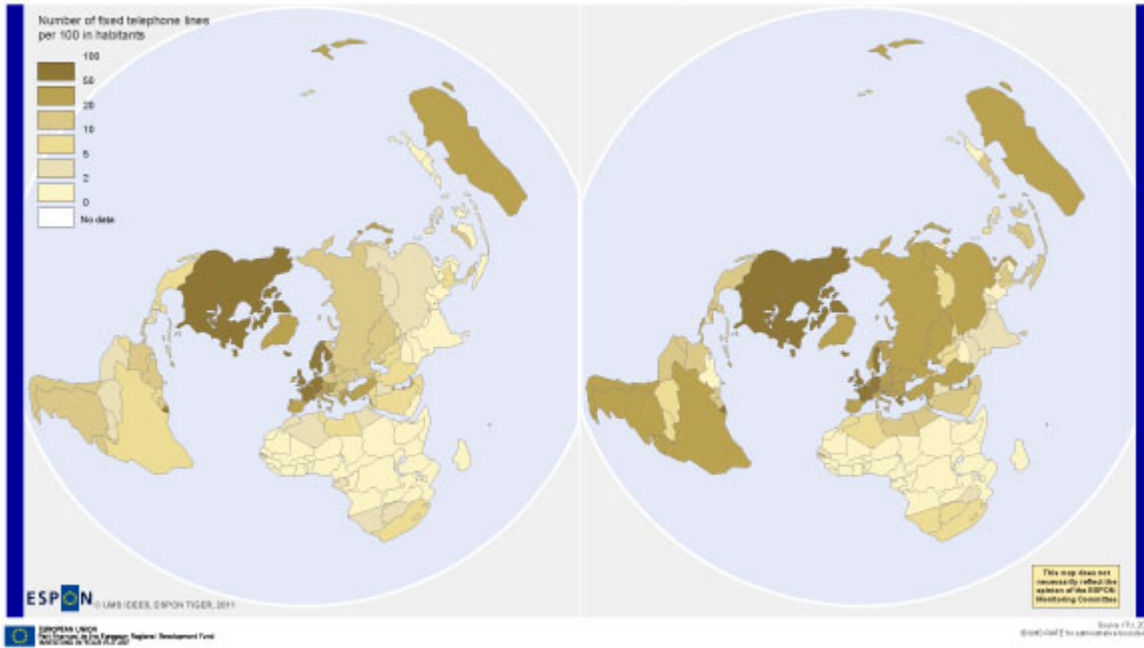

Map 14: population variation between 1990 and 2009

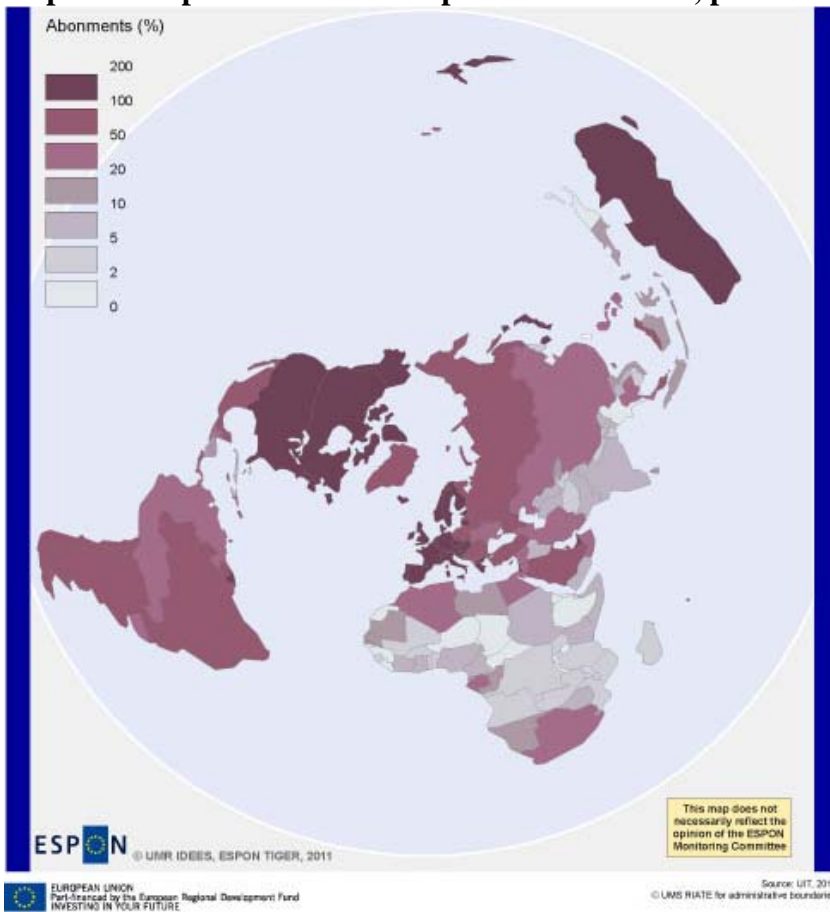

1.3. Telecommunications

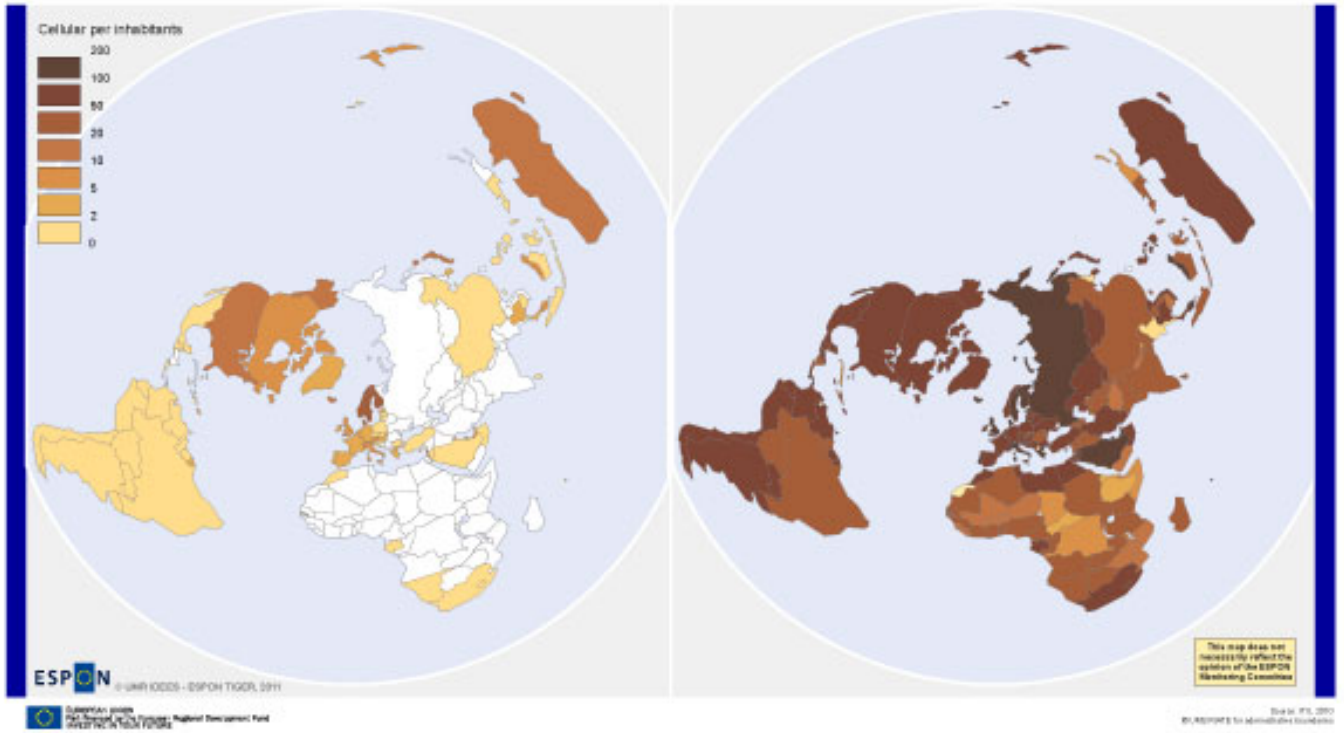

Map 15: evolution of equipment in fixed telephone lines (1994-2009)

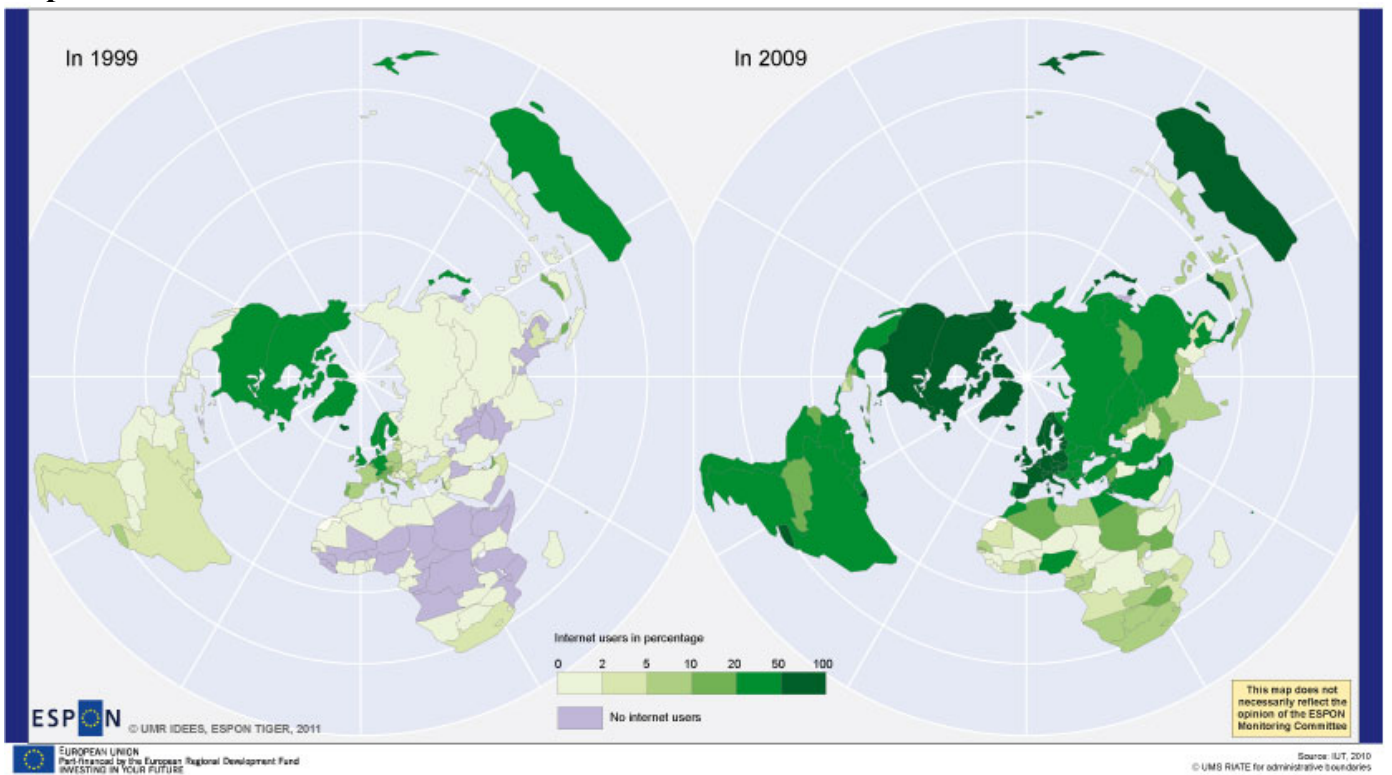

Map 16: Telephone lines subscription in 2003-2005, per 100 inhabitants

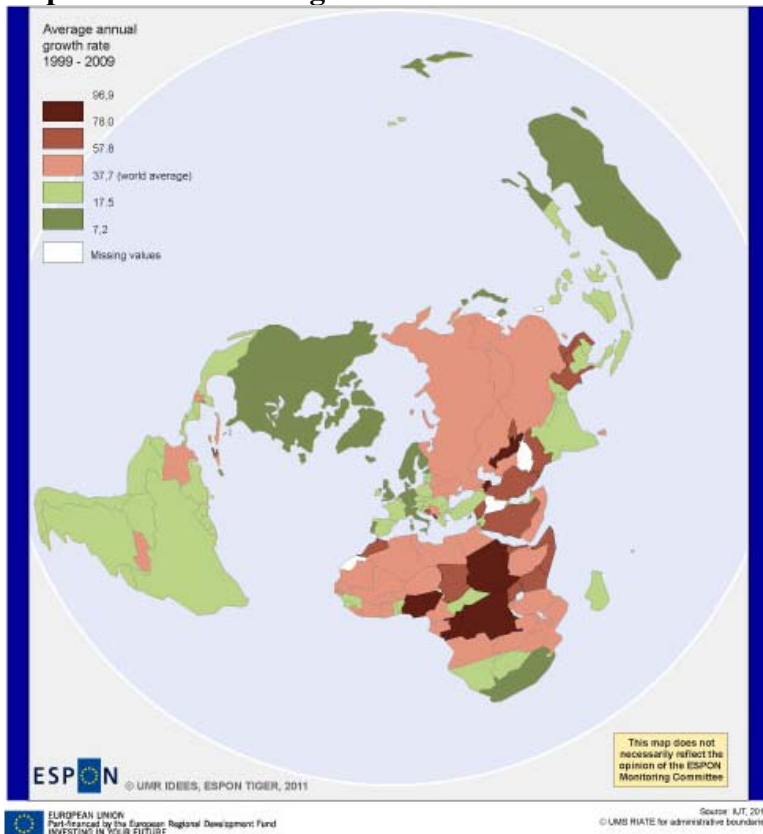

Map 17: Evolution of equipment in cellular between 1994 and 2009

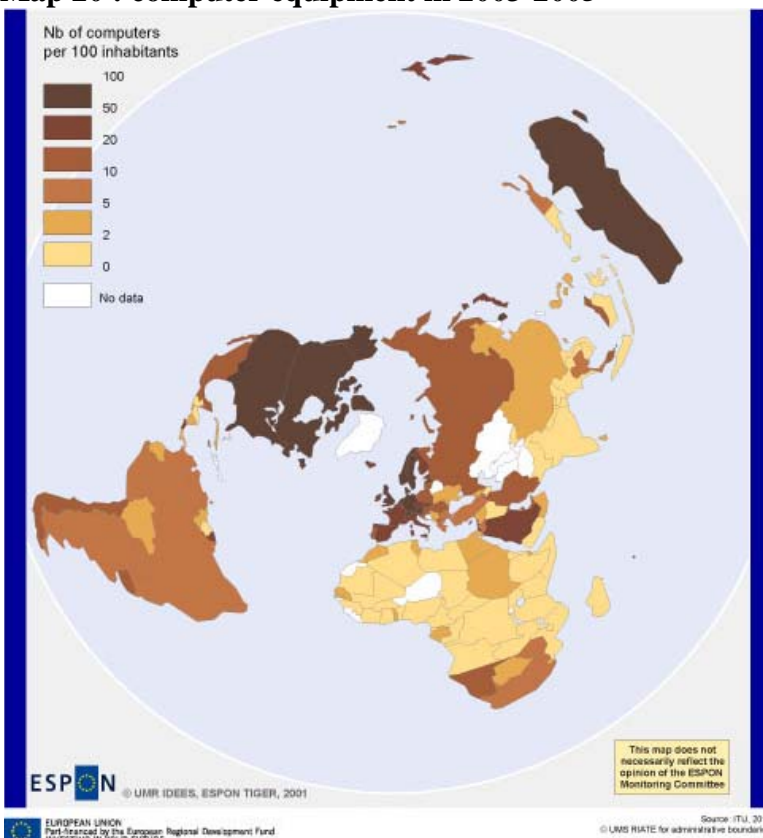

Map 18: Internet users rate between 1999 and 2009

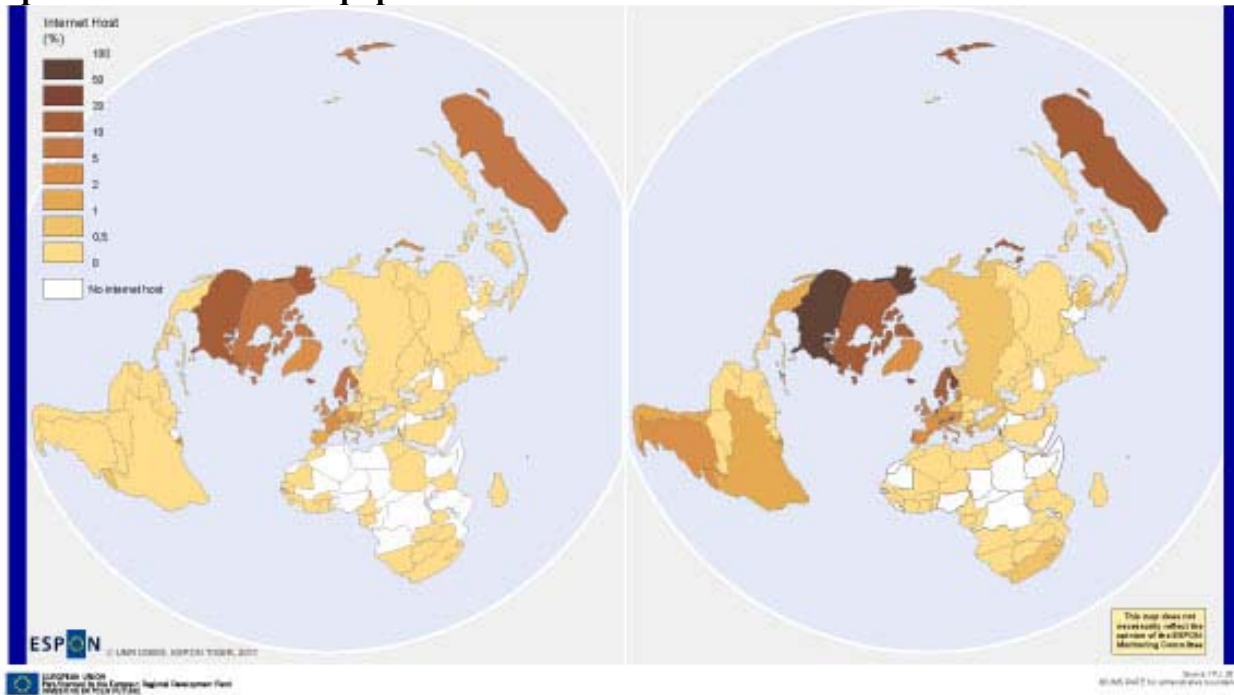

Map 19: Internet user growth rate between 1999 and 2009

Map 20 : computer equipment in 2003-2005

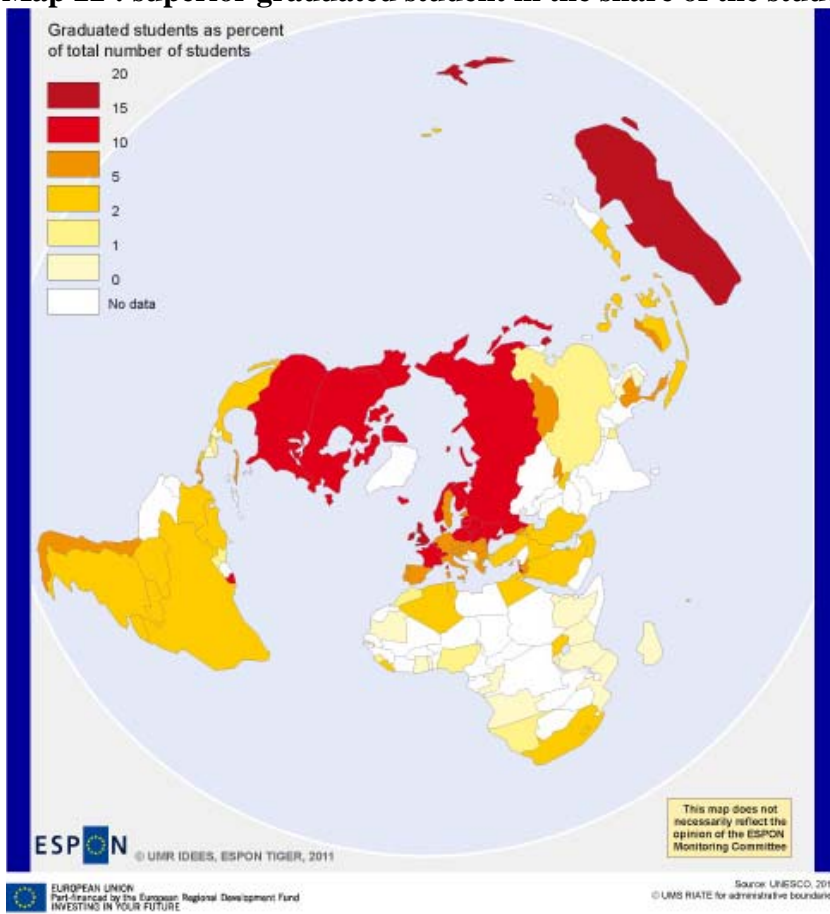

Map 21: evolution of the equipment in Internet hosts between 1999 - 2004

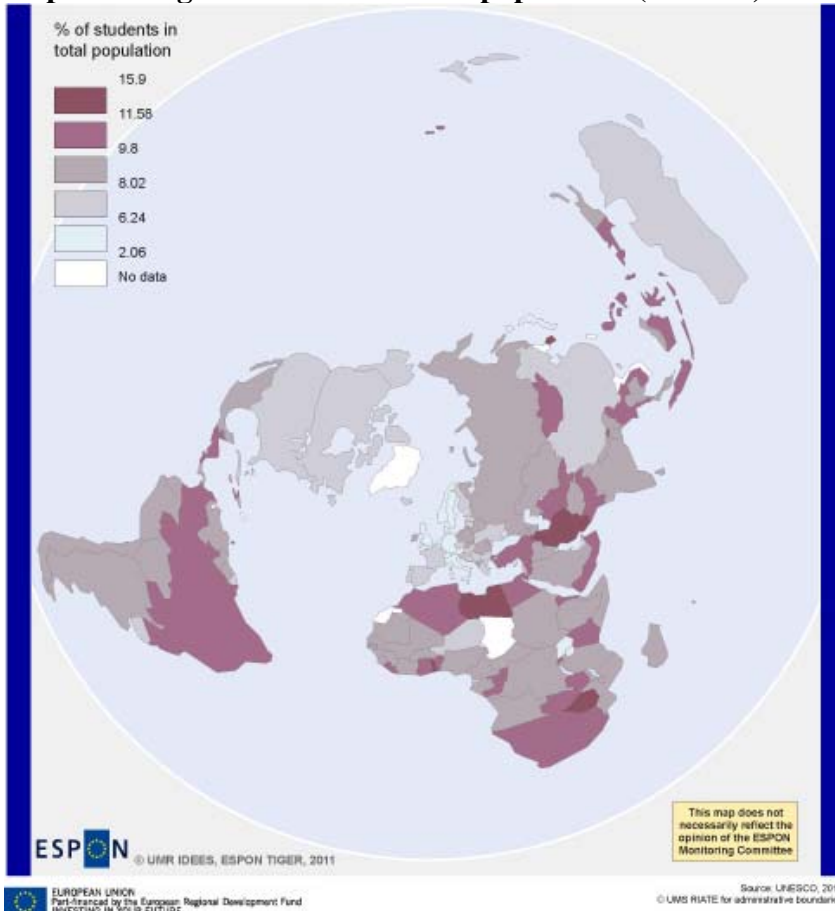

1.4. Higher education and research

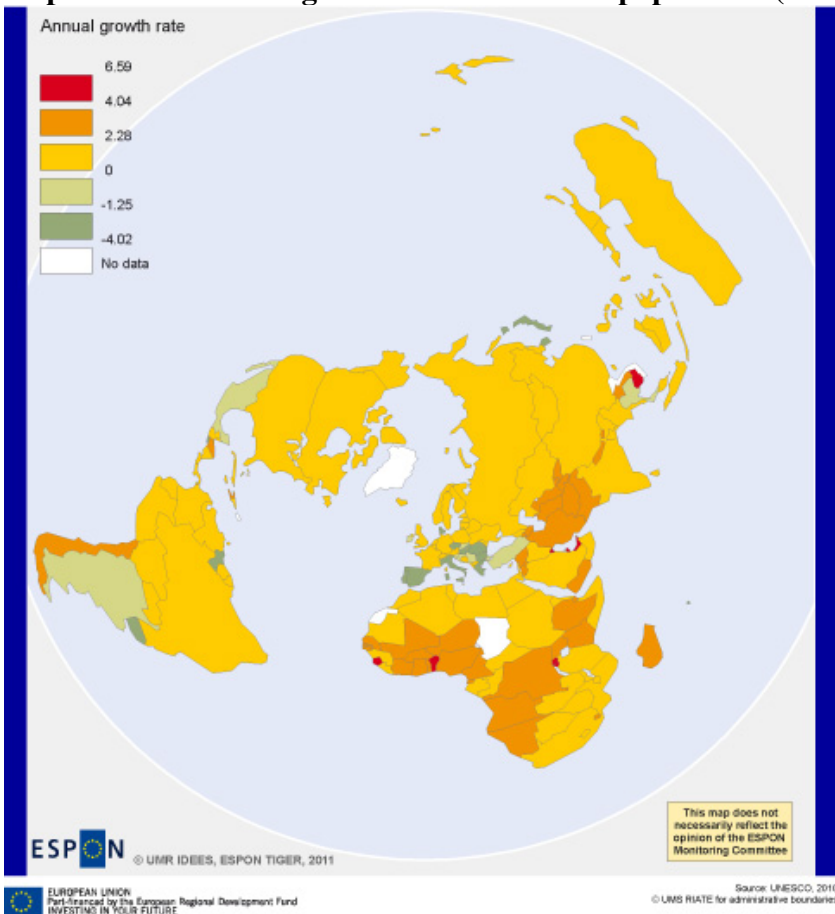

Map 22 : superior graduated student in the share of the student population (2001-2005)

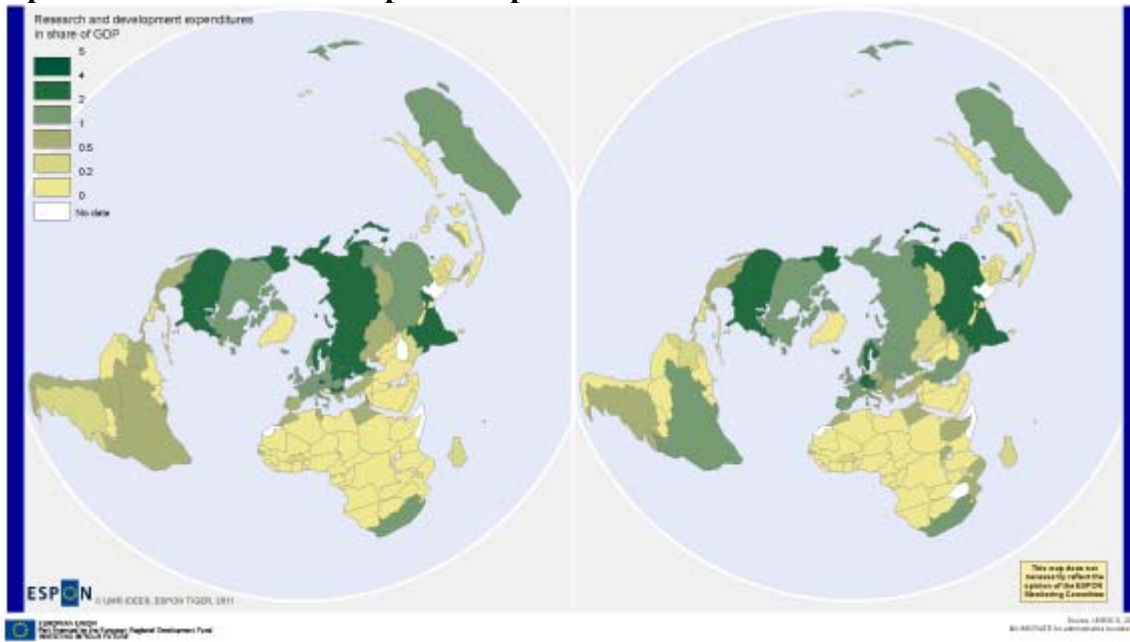

Map 23 : weigh of students in total population (2001-05)

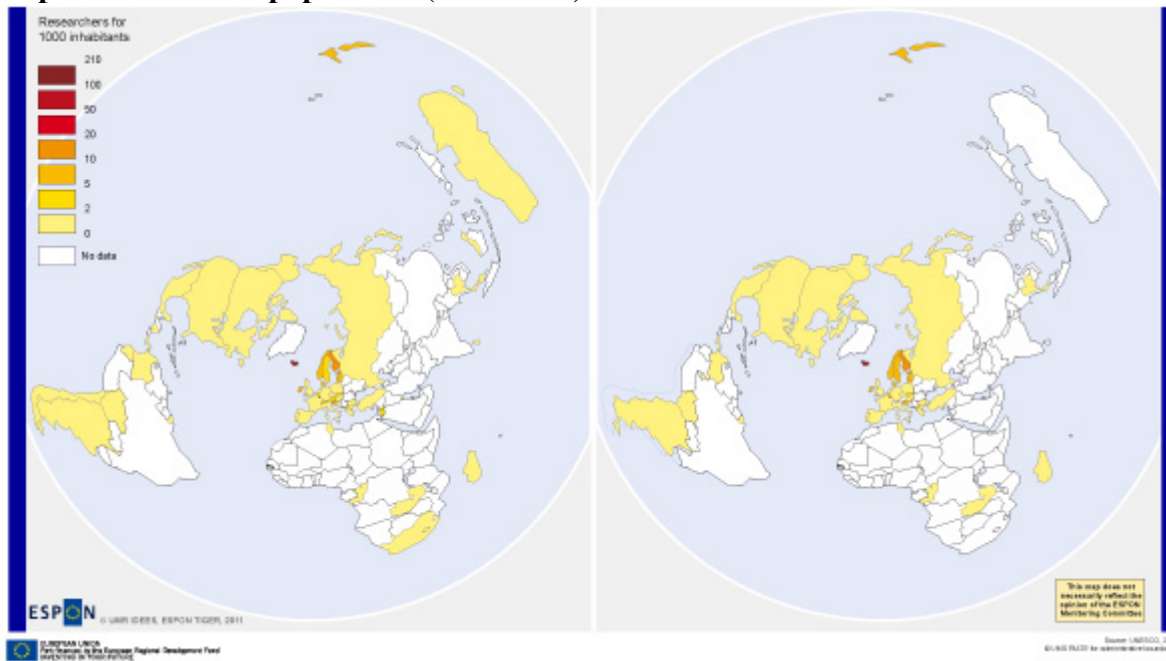

Map 24: annual average evolution of student population (2001-2005)

Map 25: Research and development expenditures in share of GDP 1996-2008

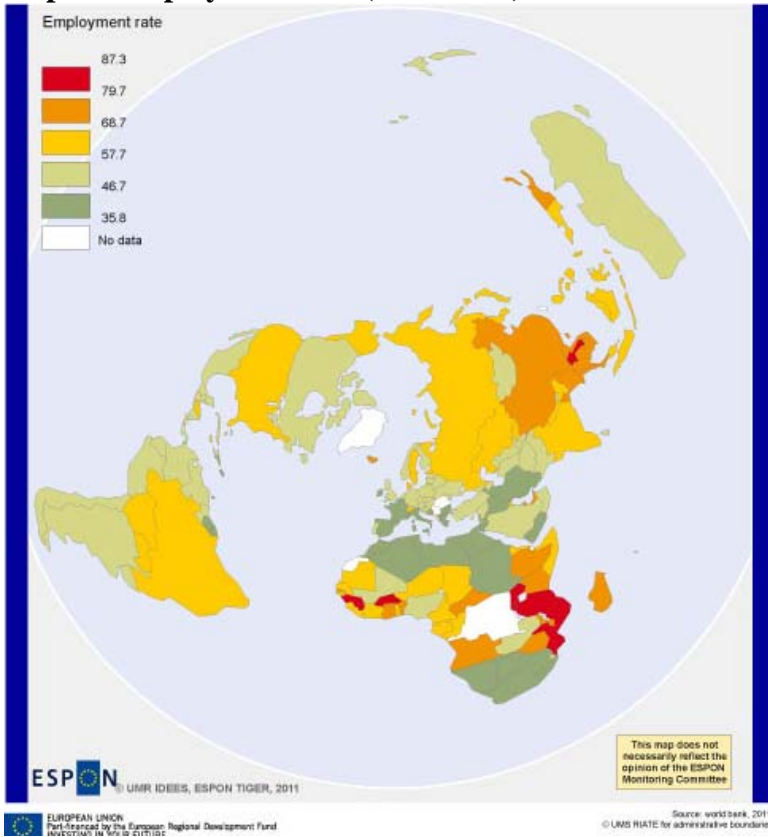

Map 26: researcher population (1996-2008)

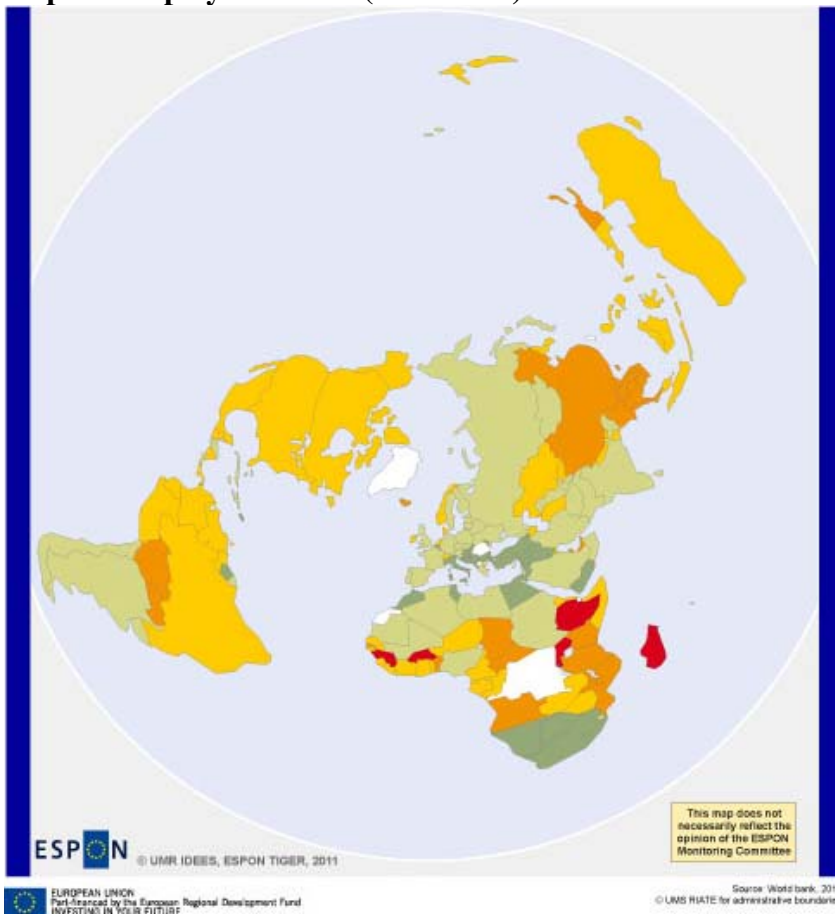

1.5.Labour

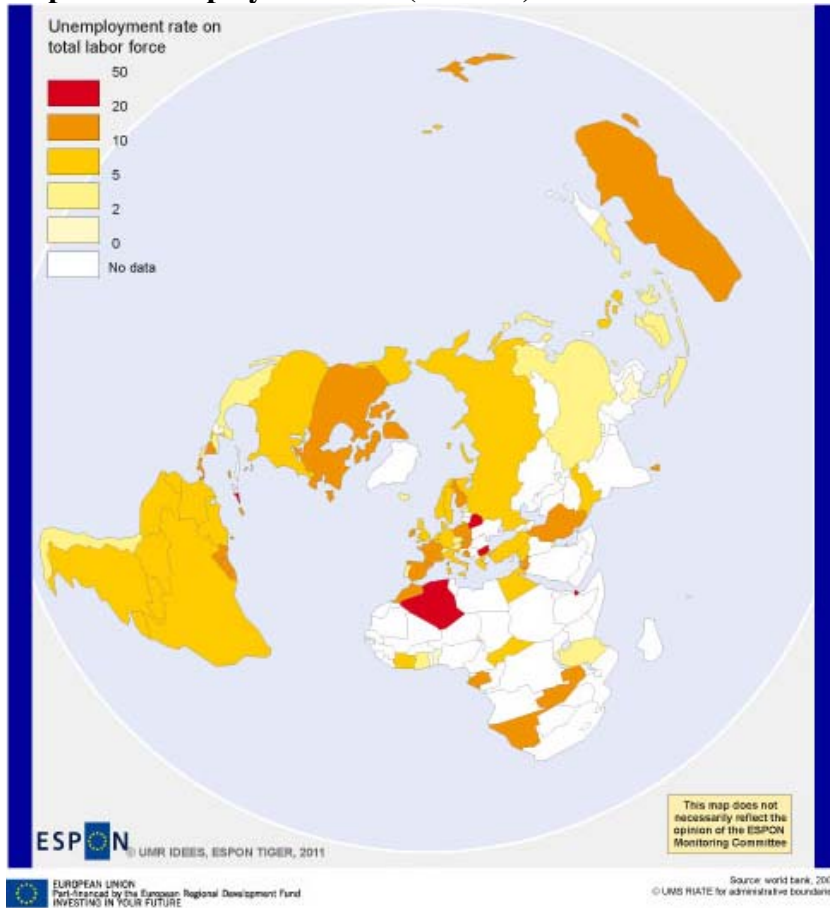

Map 27: employment rate (1991-1993)

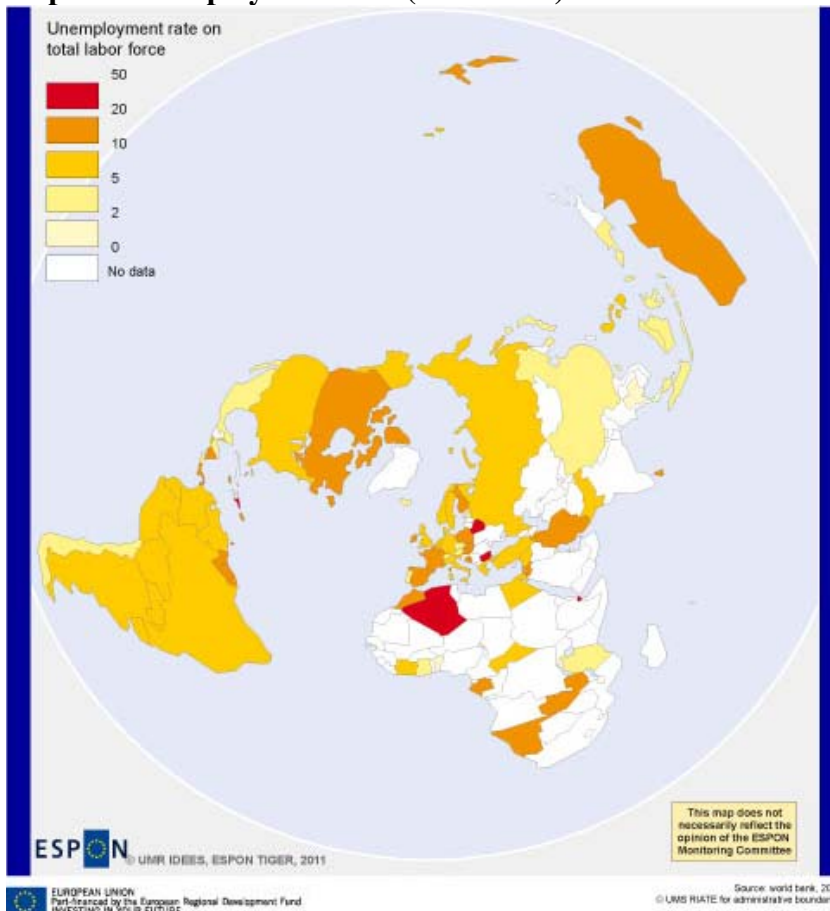

Map 27: employment rate (2006-2008)

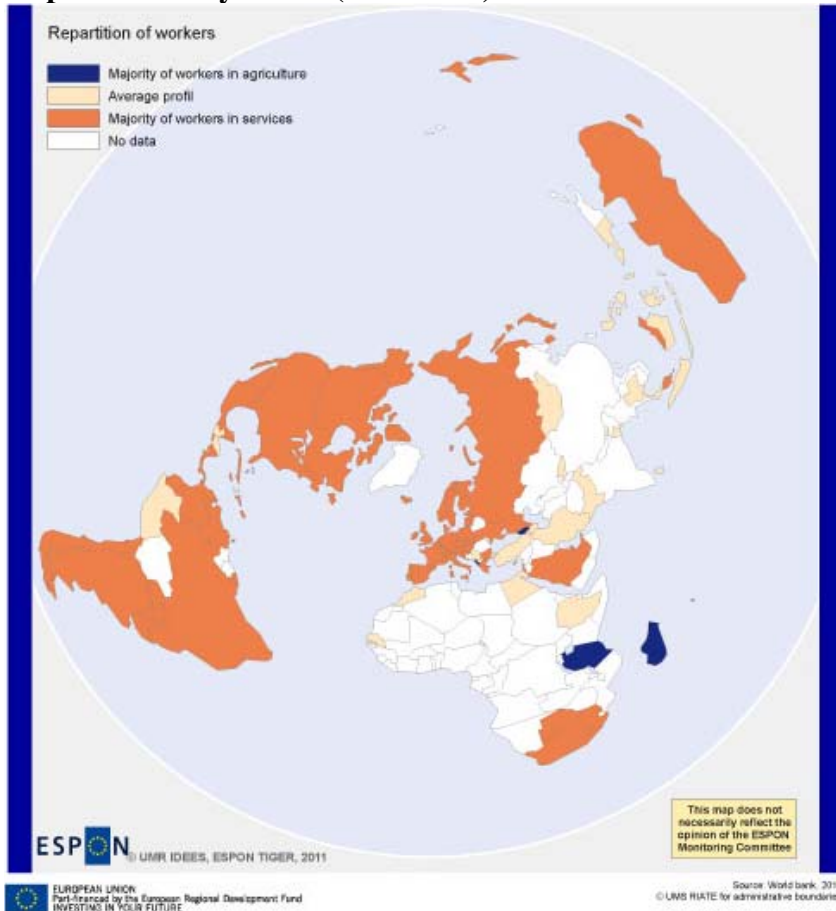

Map 28: Unemployment rate (1991-93)

Map 29: Unemployment rate (2006-2008)

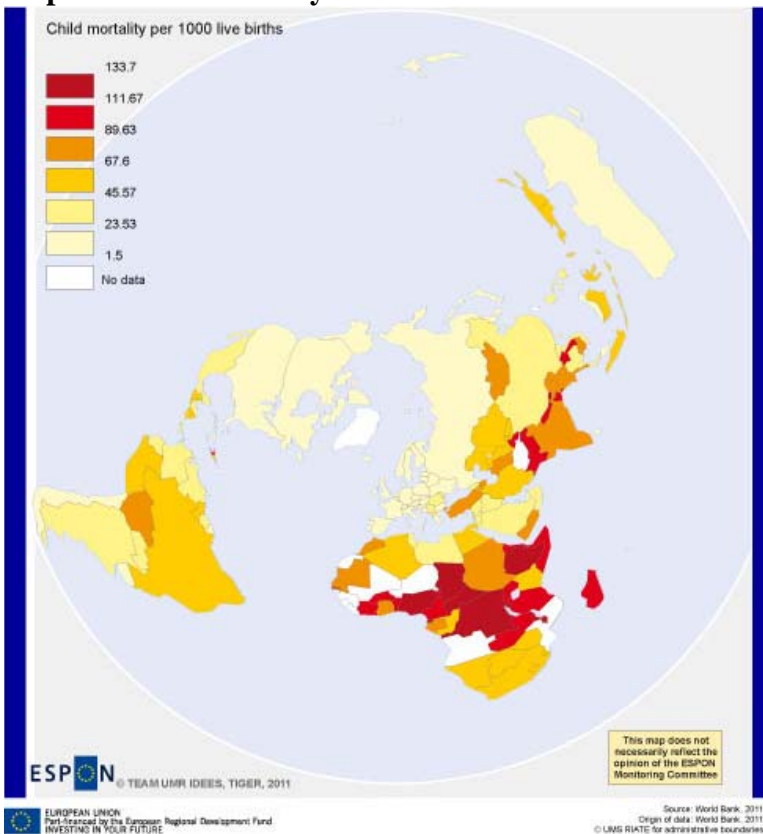

Map 30: work by sector (2005-2007)

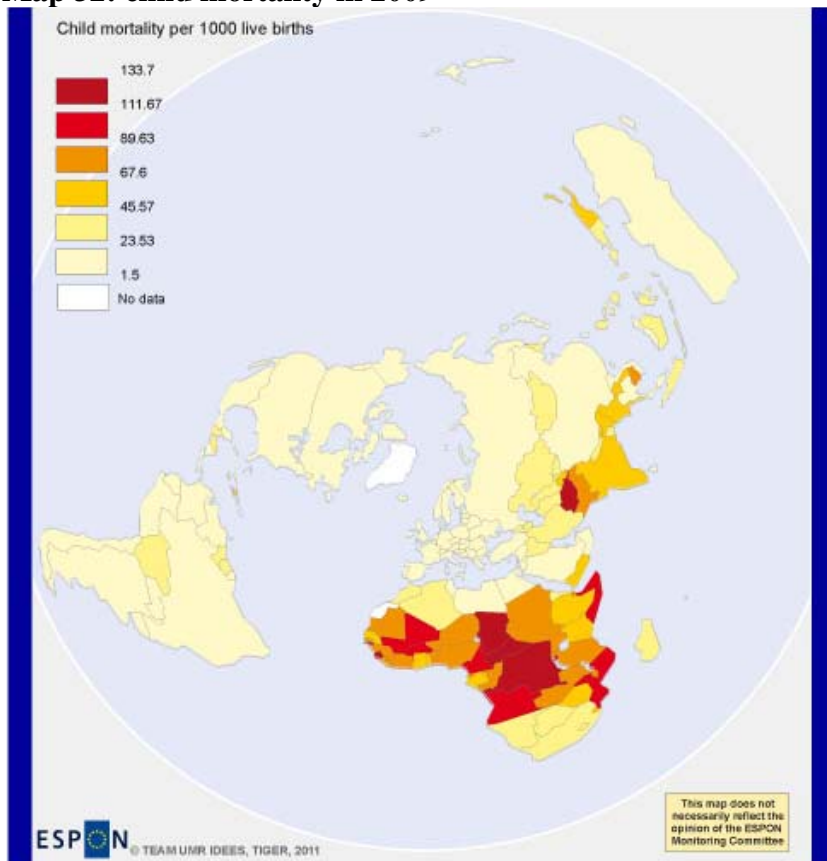

II. Social and territorial cohesion

2.1. Health

Map 31: child mortality in 1999

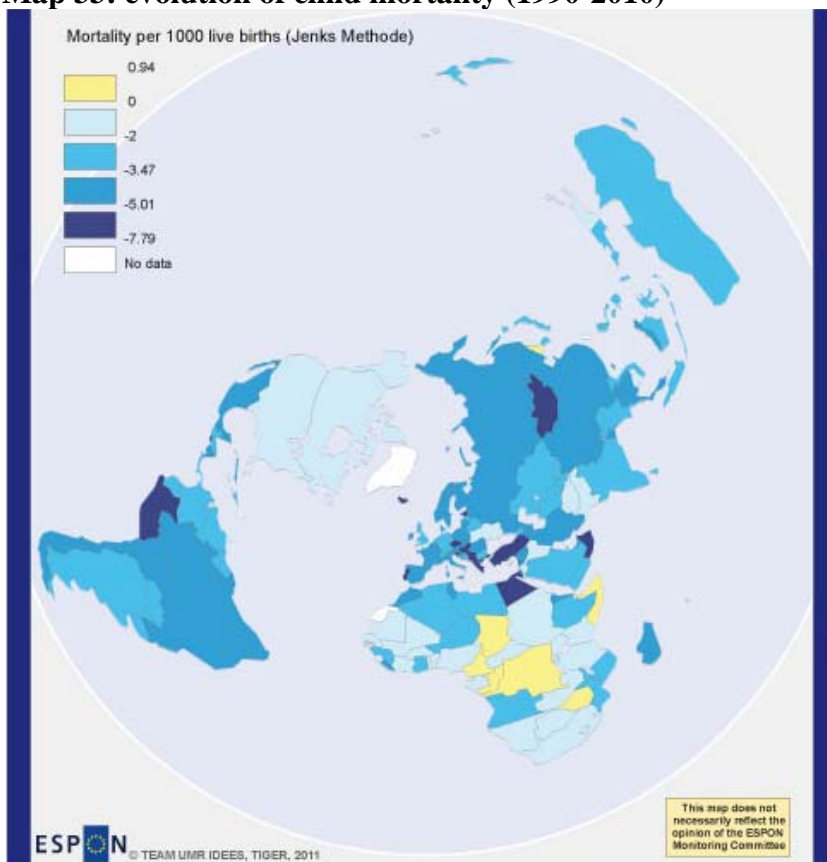

Map 32: child mortality in 2009

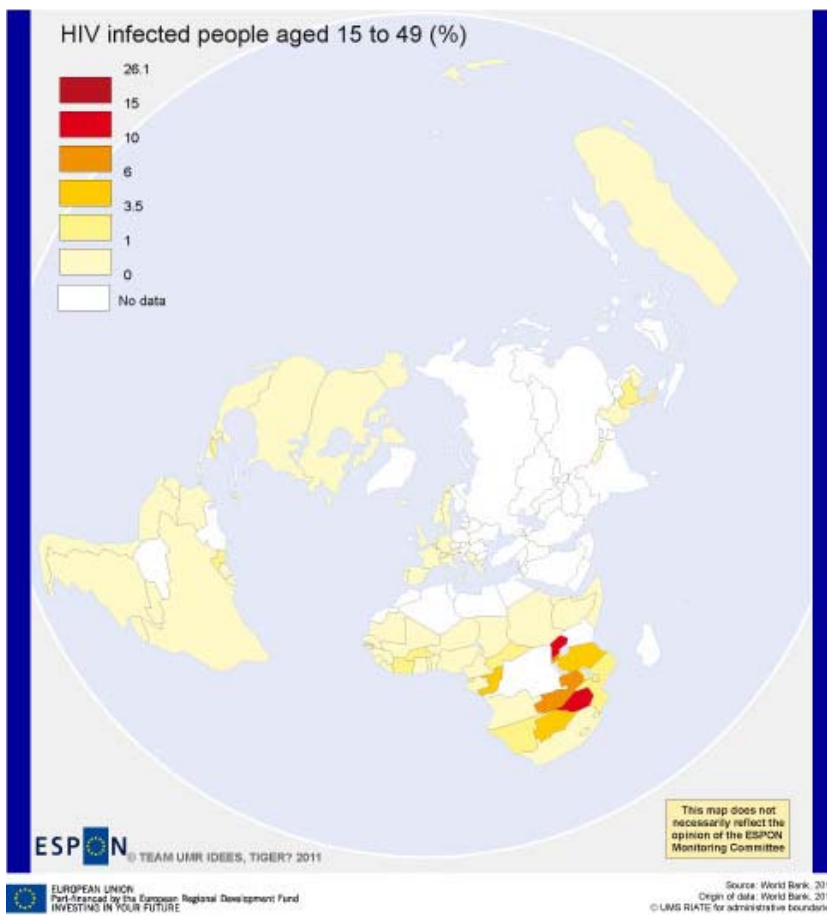

Map 34: Health expenditures in 2003

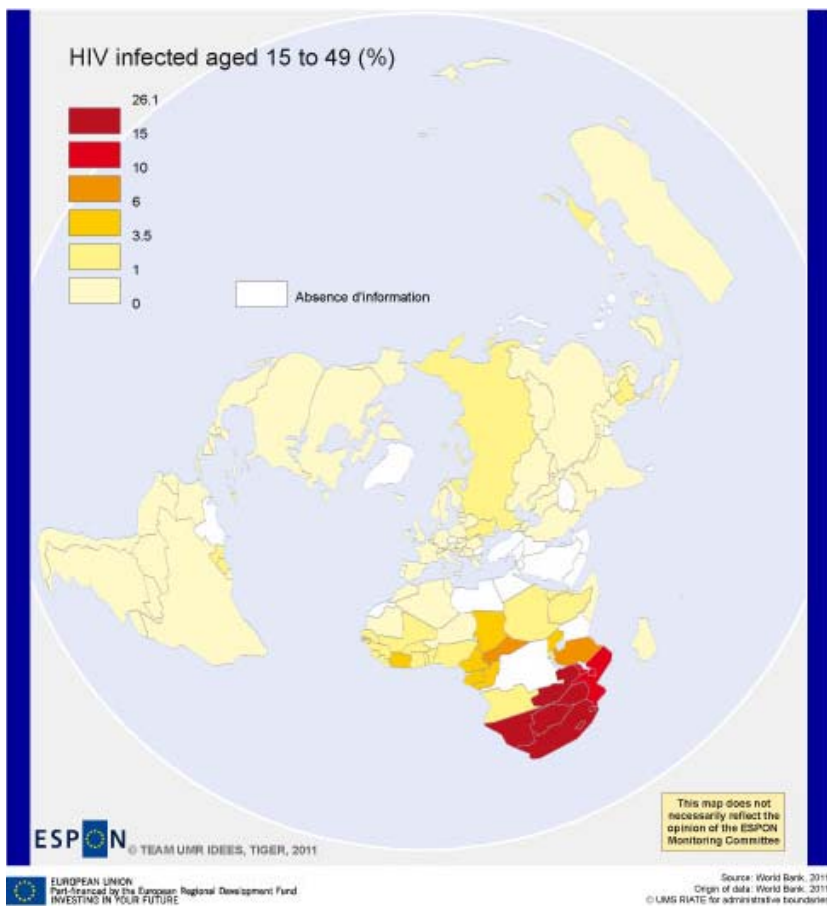

Map 35: Health expenditures in 2007

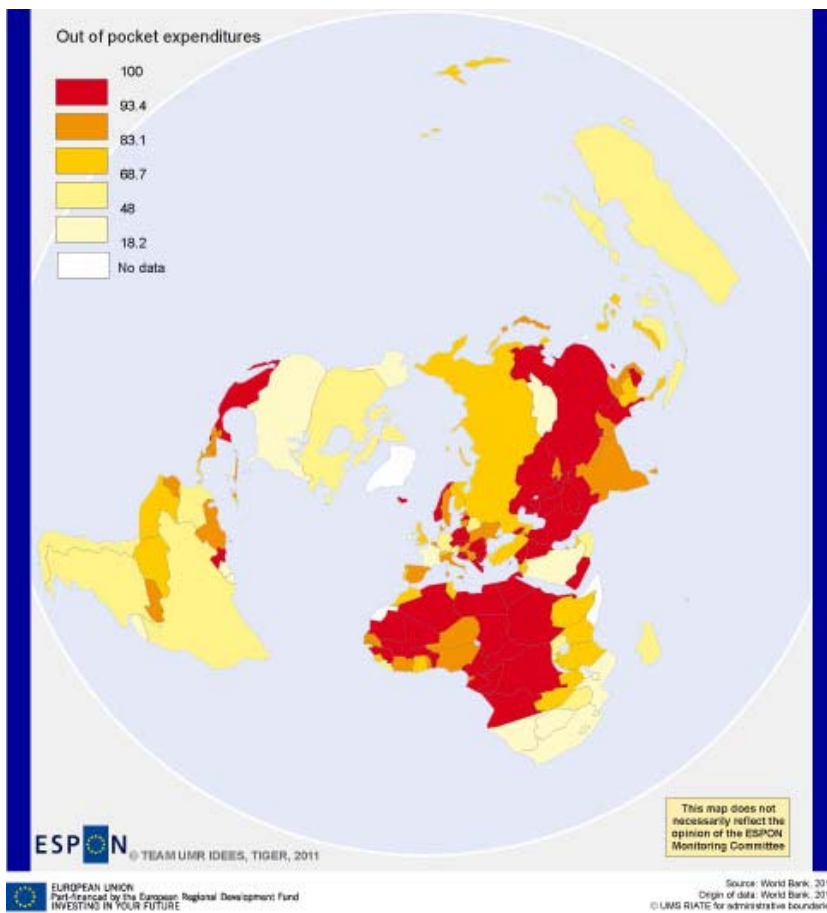

Map 36: VIH prevalence in 1990

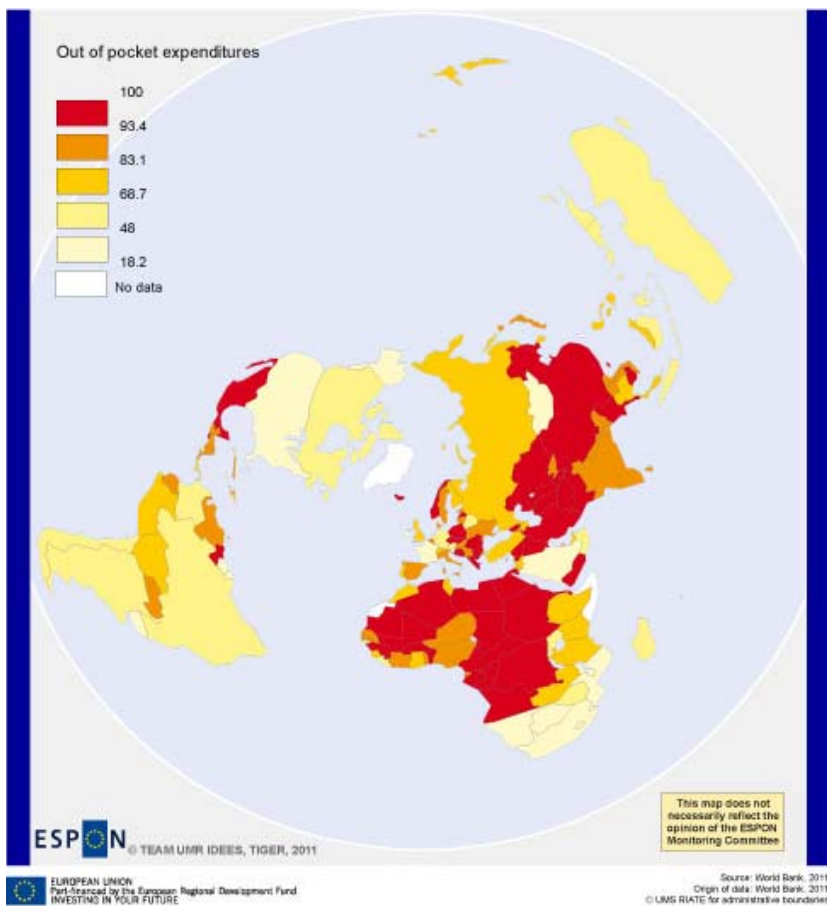

Map 37: VIH prevalence in 2007

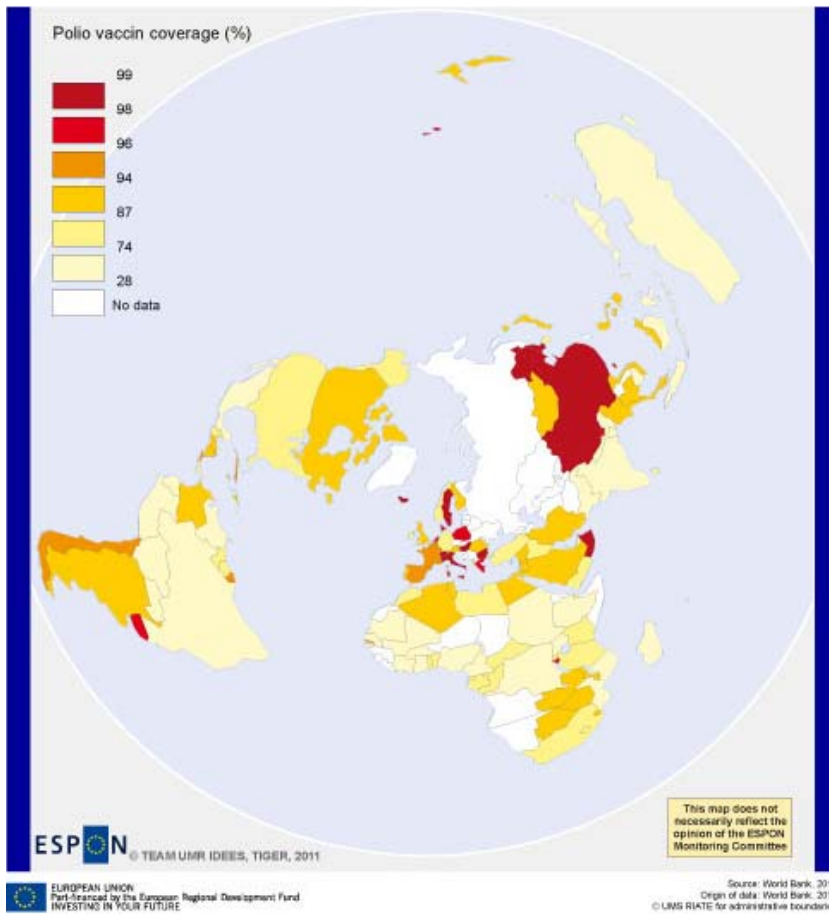

Map 38: Health expenditure out of the pocket in 2000

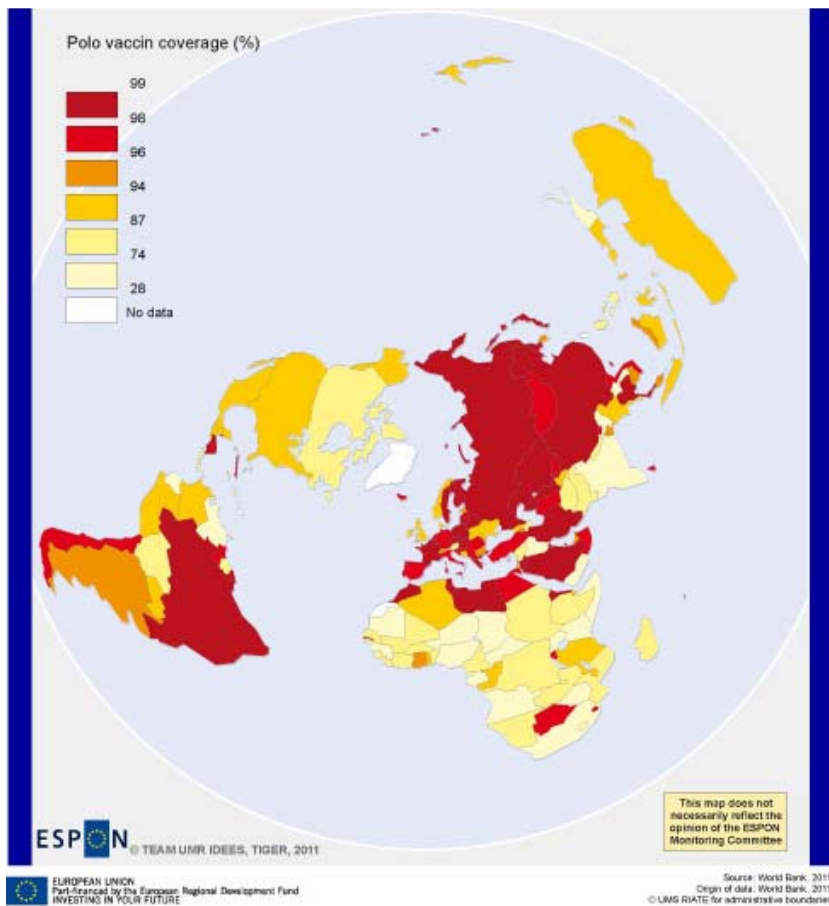

Map 39: Health expenditure out of the pocket in 2007

Map 40: polio vaccination in 1990

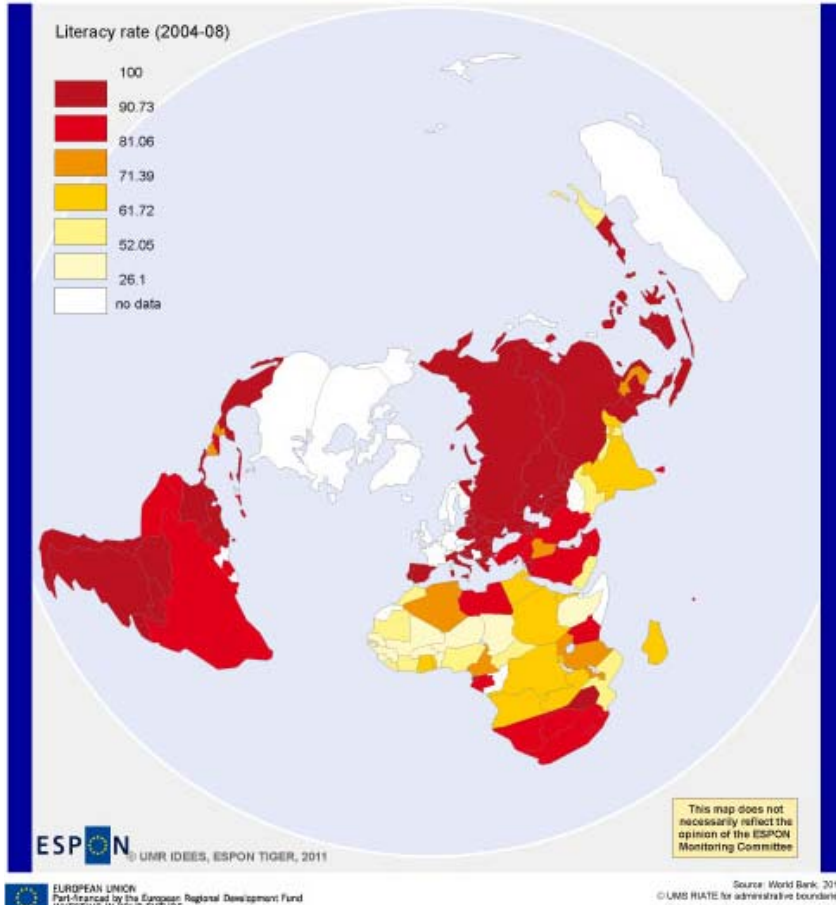

Map 41: polio vaccination in 2009

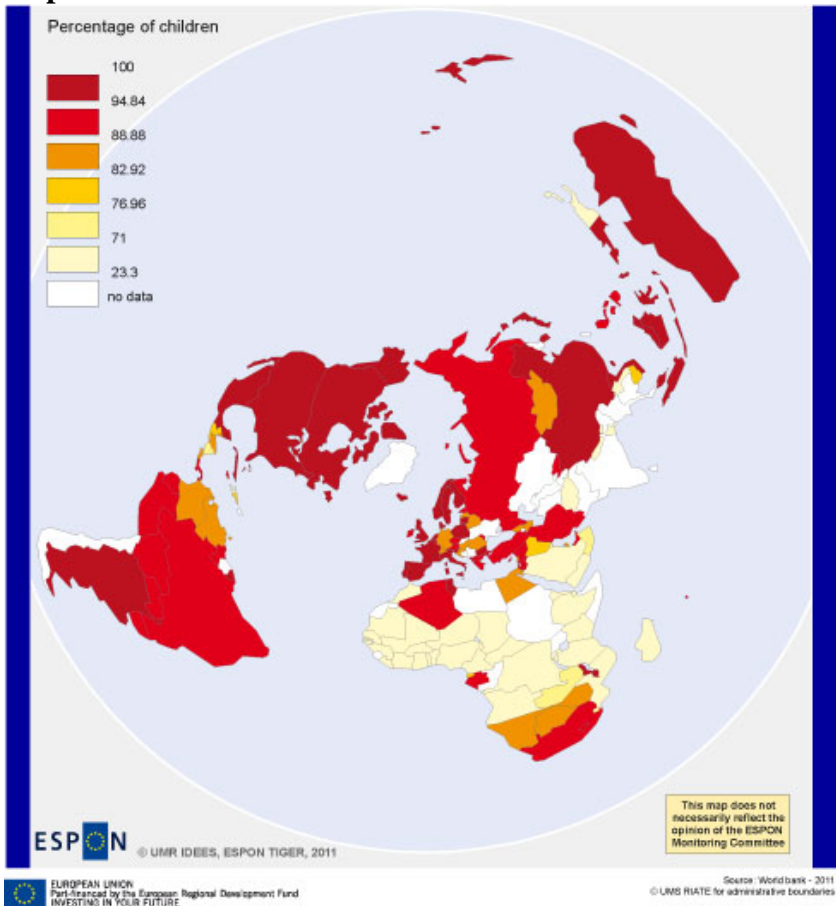

2.2. Child education and literacy rate

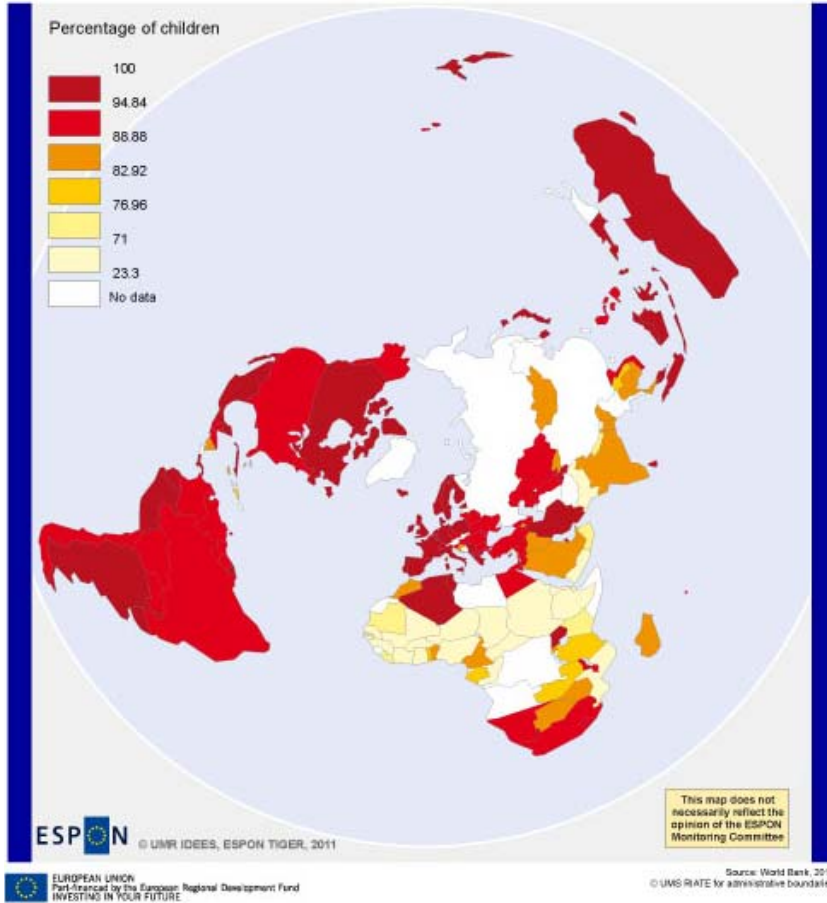

Map 42: Literacy rate in 2004-2008

Map 42: Child enrolment in school in 1990-1999

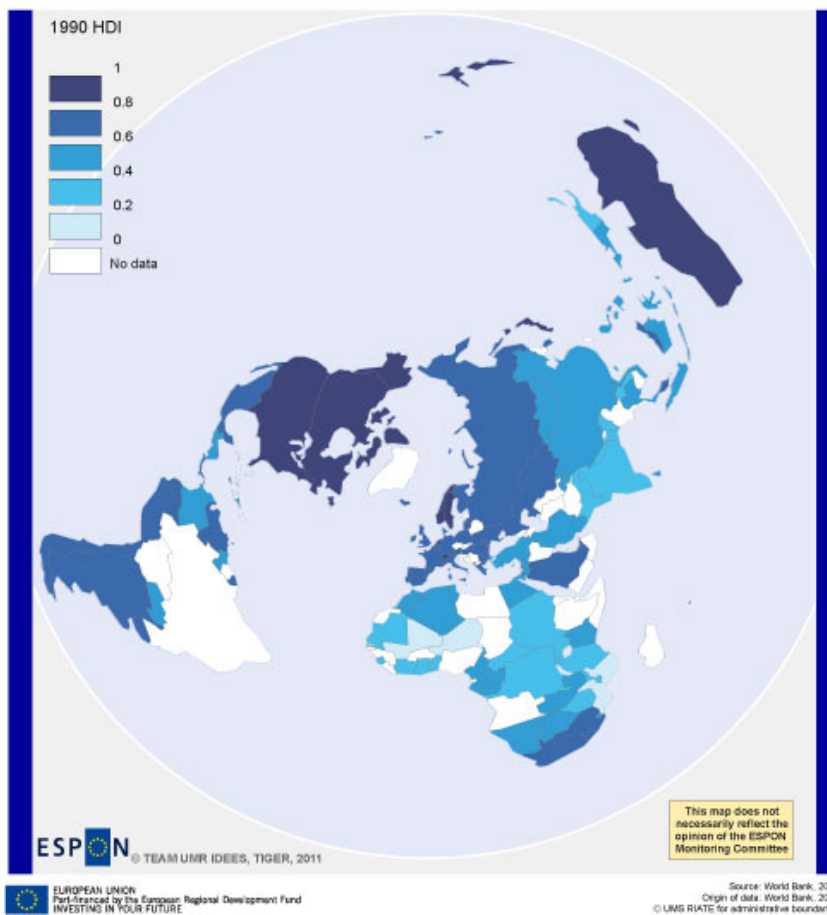

Map 43: Child enrolment in school in 2000-2008

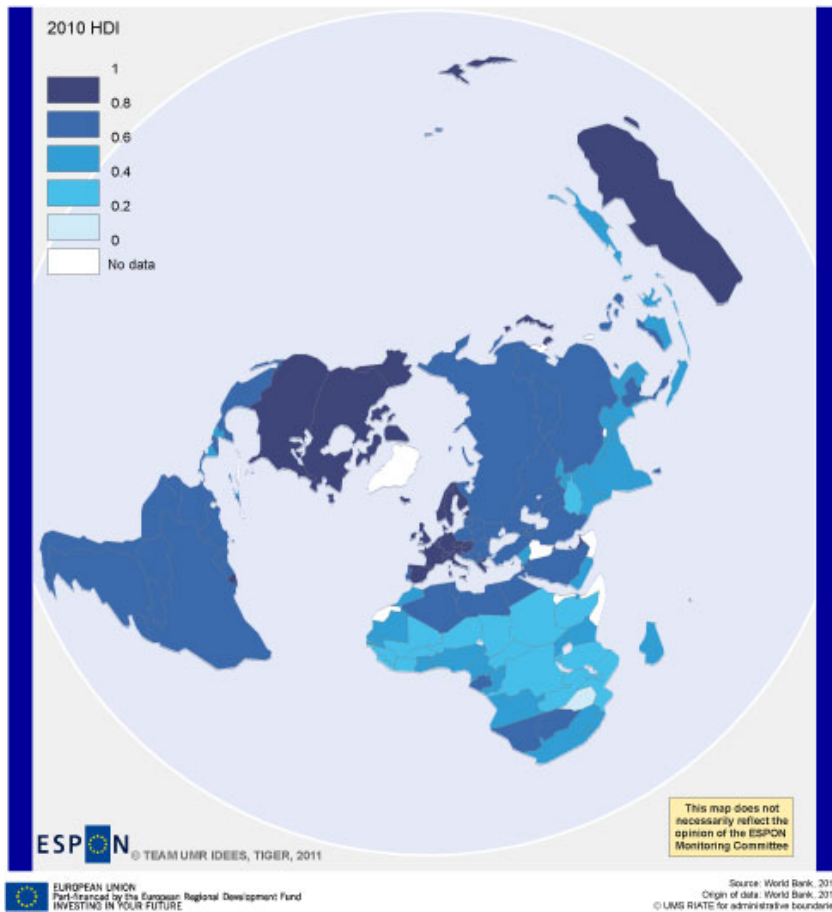

2.3. Poverty and inequalities

Map 44: HDI in 1999

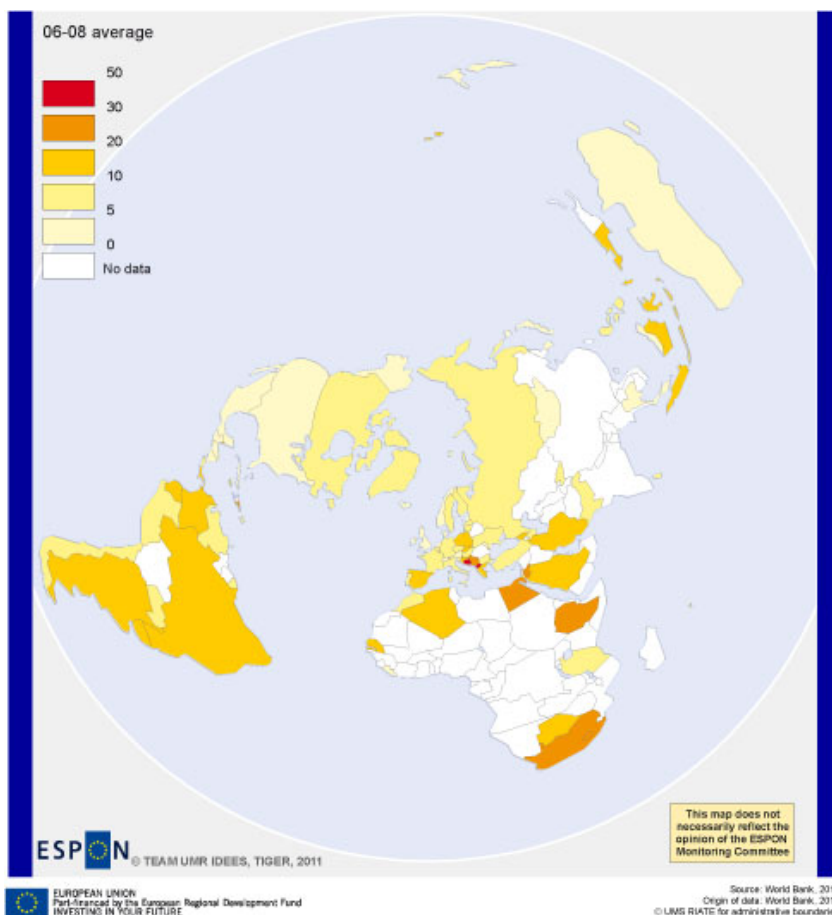

Map 44: HDI in 2010

2.4. Gender approach

Map 45: Women unemployment in 2006-2008

Map 46: Men unemployment in 2006-2008
