SESSION 1: GLOBAL ECONOMIC CRISIS AND DIVERSITY OF IMPACTS ON EUROPEAN REGIONS

10h00-12h00: Plenary session

Chair: Petra Holopírková, Czech Presidency

Where is the crisis expected to hit the most? Will the disparities between European regions deepen? Will particular regions and/or parts of Europe get over the crisis easier than others? Can Metropolitan urban regions be expected to overcome the negative impacts easier than less urbanised areas with a more specialised economy? What opportunities for the European regions can be identified?
